Designing the Parts

design: to prepare the plans for; to plan and fashion skillfully.

Before creating any good machine, there must be a design. If the machine is going to function for any length of time, the design had better be good. A machine is only as good as the parts. The Southwest "drawing board" receives input from many "engineers," each of whom is involved at some stage in the overall design process. Parents provide the initial "raw material." Registrars, bookkeepers, lunchroom staff, custodians, faculty, administrators, secretaries, campus security — no contribution is insignificant. The plans are developed and the design is drawn up.

Gearin 
FOR THE FUTURE

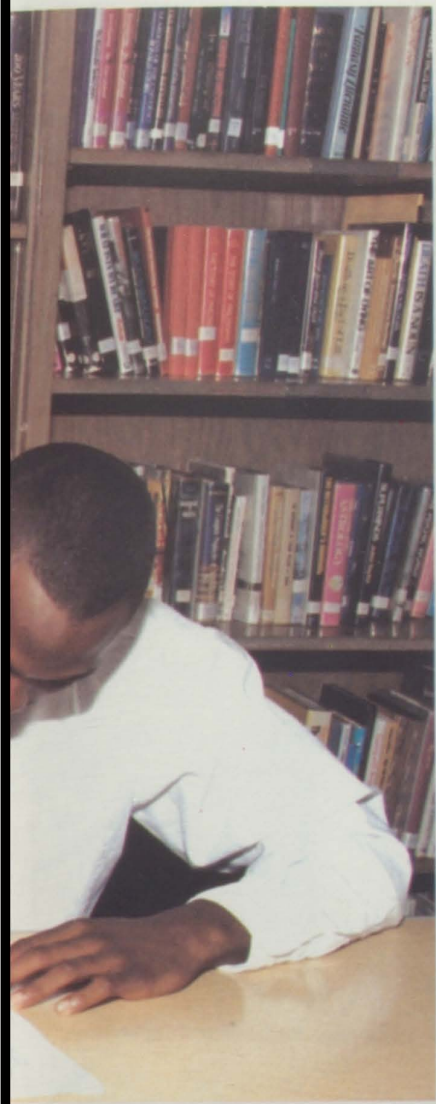

Assembling the Parts

gear: a moving part receiving or imparting force by means of cogs engaging with cogs in a corresponding part; possible combination of such parts.

Once the design receives approval, the parts move on to the "assembly line." The "labor force" takes over now. Southwest's faculty instructs and works with each component until they are sure they have received enough "drilling" of facts, have been "oiled" with encouragement, "tempered" with humor, and "polished" to a shine before being passed on to the final stage.

Gearin 
FOR THE FUTURE

Testing the Parts

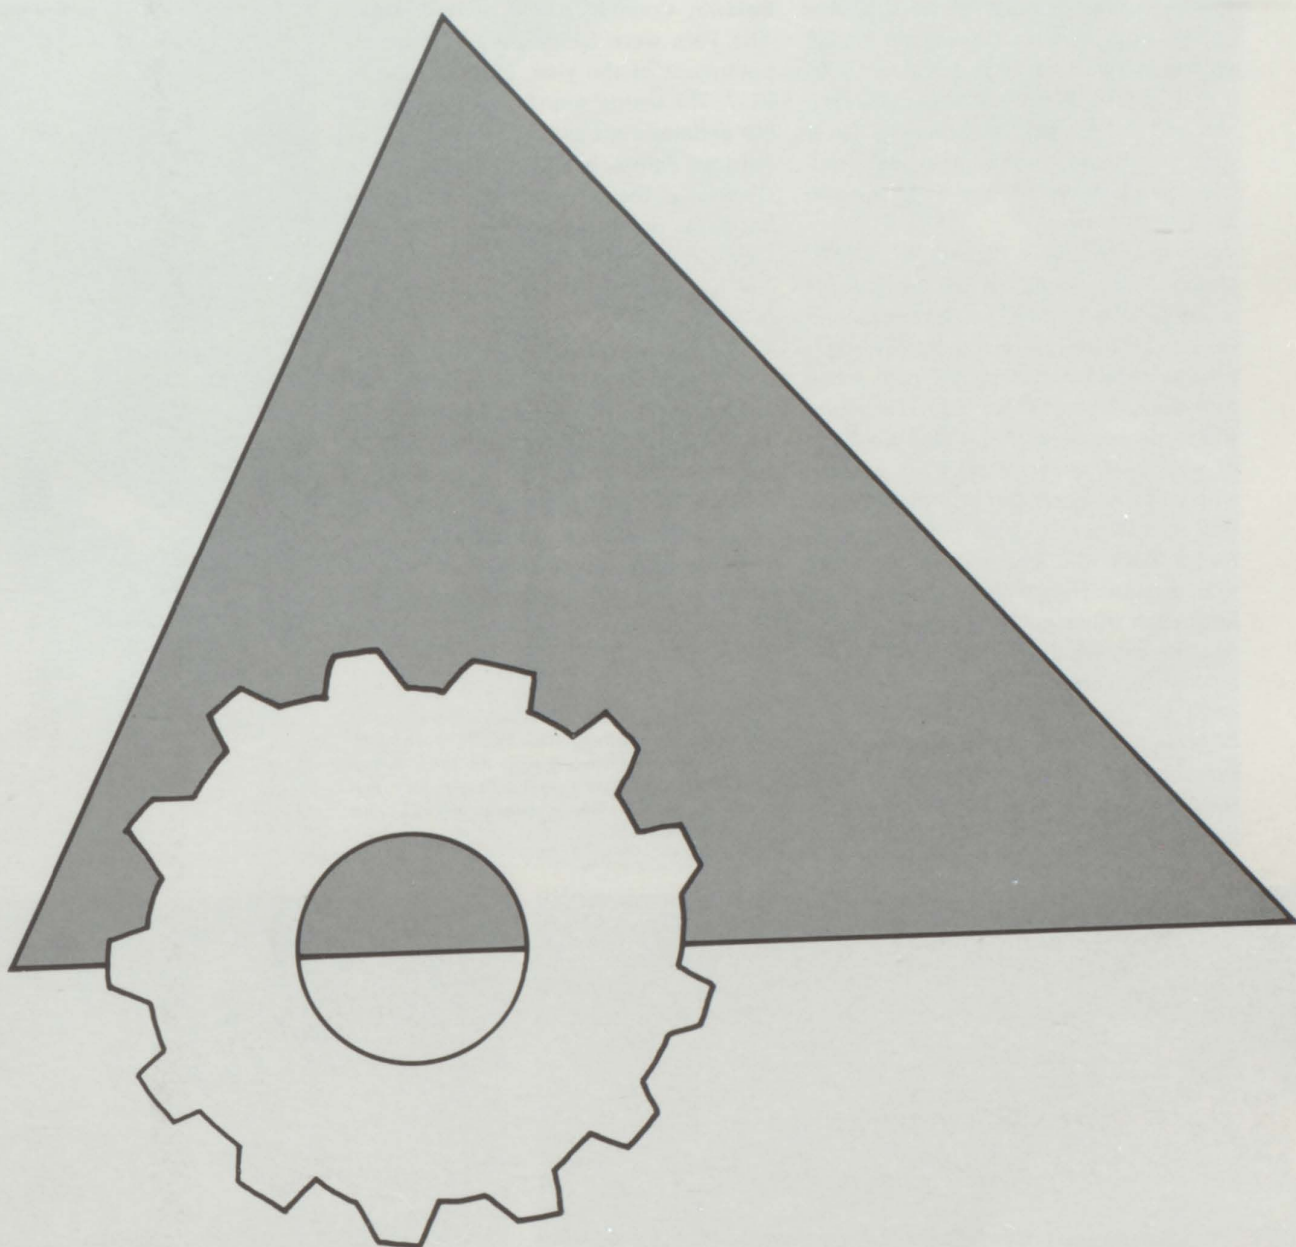

machine: an apparatus consisting of interrelated parts with separate functions, used in the performance of some kind of work.

At last the finished product is ready for testing. Years of planning, re-designing, instruction and polishing have been implemented. The question is - will it function? It must be tested for "fatigue" and load efficiency before it can be given a final seal of approval. The "metals" are strong, the design good, the assembly the best possible. The testing begins. Students go for job interviews, prepared by vocational training. They take SAT's and ASVAB for college or military service. The "Big Red Machine" rolls into athletic scholarships for many students. The testing completed, the "machines" now fully geared are ready to make things happen. . .

Awesome Comeback

What's this? The SW Patriots made a "reverse play!" After a disappointing '88 season last year, the team finished with a final record of 8-2 for its regular season and 8-3 for post season play. As if that wasn't enough this great team tied the school record for the most wins in Southwest history.

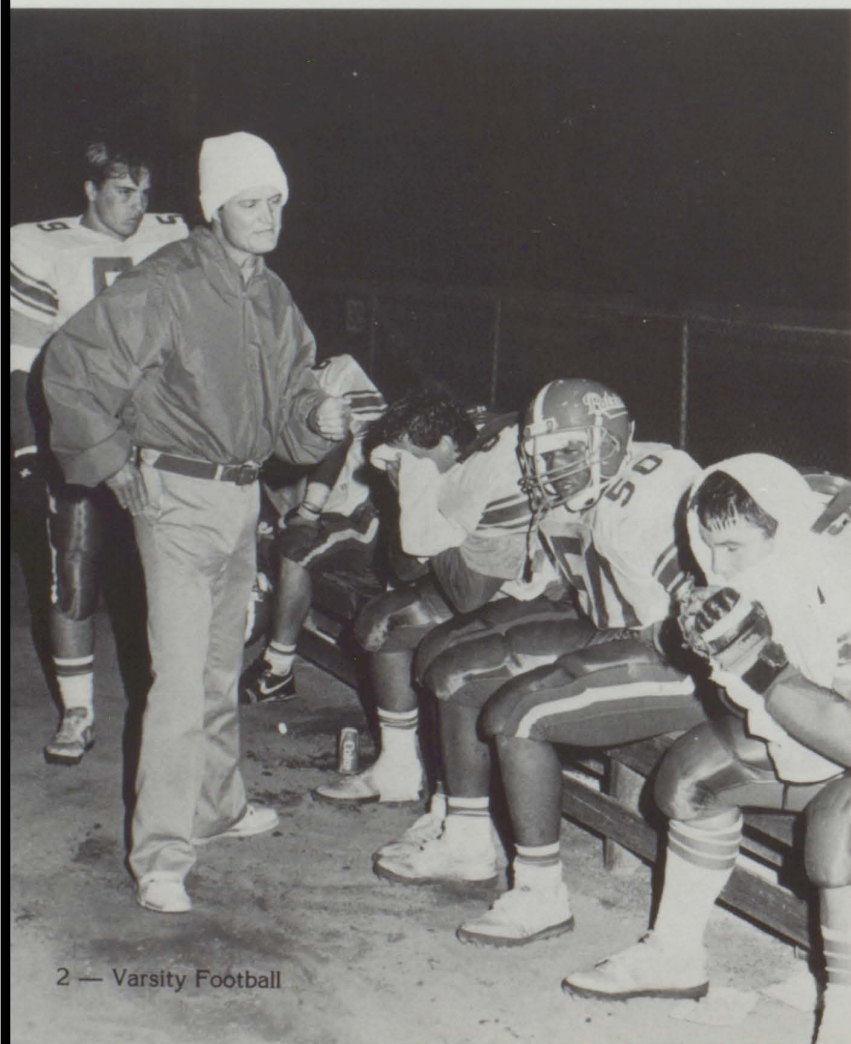

What could have caused a team to change so drastically in just a few short months? Maybe new recruits? No, the team was made up of mostly the same players as last year. OK, maybe it was a new coaching staff. No way! They had the same coaches, too. It was a rebirth of spirit and determination in a team who had it all along, but never realized it. With the help of a great coaching staff and a team who was willing to be just that, a team. They worked together and kept each other going. They began the season by winning their first game against Benjamin Banneker by a score of 21-6.

After that win it didn't take long for the school and fans to get back behind the "Big Red Machine." With everything intact, the team rolled over a major rival,

Baldwin County, in the second game. The Pats were handed it's first disappointment of the year, losing to Butler 21-7. The teams' fourth game was a loss but definitely not a disappointment. The Patriots dominated the Warner Robins Demons in the second half of the game, but came up shy of a victory. The next victory the Patriots took was from Northside, 14-11, in the International City Stadium.

The Pats didn't stop there. They went on to defeat Evans 39-12, Northeast 21-13, Southeast 44-0, and Hephzibah 42-14, for the City Championship. And to guarantee the awesome "Red Machine" a place in the Post Season play-offs, they defeated cross-town rival Central 7-6. The final record of the '89 season was 8-3, in a tie with the school record for the most Southwest wins.

Iron Men

The "Iron Men" of the Southwest Football Team placed ten players on the All-City Football Team. Linebacker **Marquis Daniels** made 107 tackles, 8 quarterback sacks, and caused 5 fumbles. Another linebacker **Kelvin Oliver** made the city squad by making 148 tackles and intercepting 3 passes. Southwest's best man-to-man defender was defensive end **Art Cummings**. Defensive back **Jack Parks** broke up 4 passes and had 3 interceptions. Punter **Marcus Andrews** made the team by averaging 49.1 yards per punt. Linemen **Michael Moore** and **Derek Dumas** made the All-City squad by grading out 90% in their blocking. Receivers **James Flowers** and **Charlie Simmons** had an outstanding year. Flowers had 23 catches for 611 yards and 5 touchdowns, while Simmons had 39 catches for 537 yards and 4 touchdowns. Charlie, one of Southwest's top college prospects, signed to play for Georgia Tech. Quarterback **Joe Dupree**, showed why he was one of the state's top recruits by completing 94 passes for 1,489 yards and 12 touchdowns. He signed to play with the University of Georgia. Southwest also placed three players on the All-Middle Georgia Football Team. Named were Marcus Andrews, James Flowers, and Joe Dupree.

Simply The Best!

The "best" in Southwest's Football program were honored at an Awards Assembly in the Willingham B gym on January 17, 1990. Senior cheerleaders receiving awards for showing that special spirit associated with Southwest, were **Ericka Brown, Lisa Herring, Erica Jaskula, and Jennifer Lewis**. Underclassmen cheerleaders were awarded certificates. **Johnny Higdon** received an appreciation plaque for his many services to the school. Football managers received varsity certificates.

The players also took their turn in giving credit where credit was due by presenting to the coaching staff, plaques to show their gratitude for an outstanding 1989 season. The plaques were given to coaches **Harvey Appling, Iris Hill, Clyde Barden, Haywood Simmons, Albert Sharpe, and Danny Grube**. A special plaque of the 1989 City Champions was given to Coach **Edgar Hatcher**.

Young Talent

The 1989 B-Team football team had another squad of talented young men. The squad, coached by **Iris Hill**, impressed Southwest fans with victories over Northeast, Central, and Southeast. After a 28 to 14 loss to Baldwin, the team won their next four games. The team finished a good season with a 4-2 record and won the city championship. **Kareem "Champ" Brown** was the leading scorer with nine touchdowns. With the winning attitude of these fine young men, the Varsity football team can look forward to many more successful seasons.

The fall of 1989 was a learning experience for the Southwest Ninth Grade team. Although the team finished with a 0-4 record, the team played with pride and determination. The hardwork displayed by these young players will make good additions to the future B-Team and Varsity football teams.

SOFTBALL

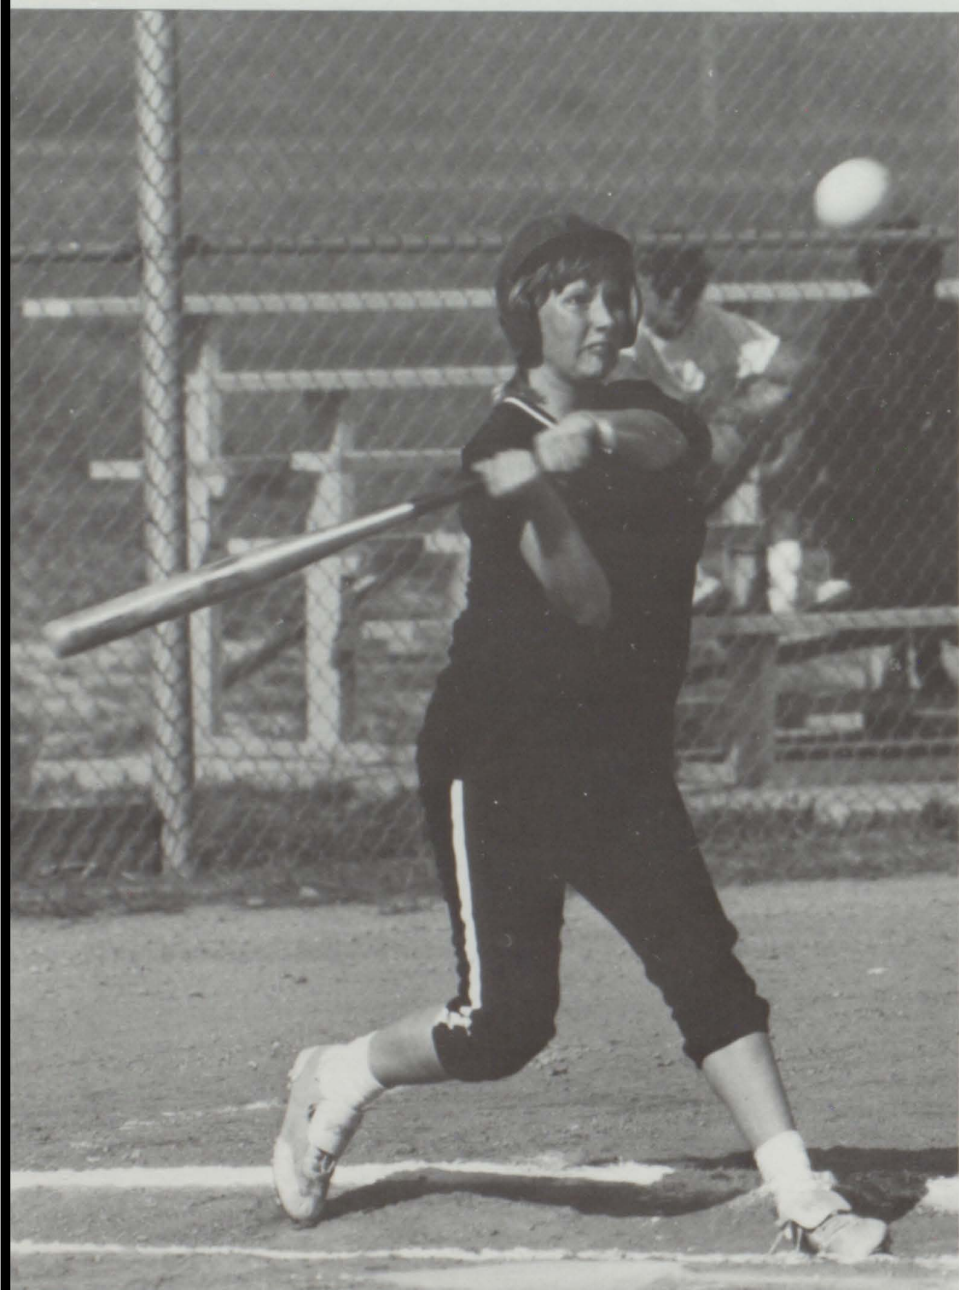

Hard Work

The Southwest Lady Patriots were coached by **Dannah Graham**, and as always, showed their determination and spirit on the field. The team ended the regular season with a 9-4 record, with wins against Baldwin, Northeast, Central, and their sister school, Southeast. Each victory can be attributed to the hard work put forth, on and off the field, by every player.

WRESTLING

Young Team Finishes Strong

With only four experienced wrestlers, the Patriots made a slow beginning, losing their first match to East Laurens, 24 to 48. The wrestlers improved greatly throughout the season and finished 18th out of 80 schools who competed in the state tournament. Senior **Marquis Daniels** won 27 out of 28 matches. His tremendous talent on the mats earned him the honors of Hornet Classic Champion, Fitzgerald Invitational Champion, Southwest Invitational Champion, Outstanding Wrestler of the Southwest Invitational, and Area Champion. **Terrence Williams**, also a senior, finished his season with a 21-3 record. He placed third in the Hornet Classic, was the Fitzgerald Invitational runner-up, and the Area Champion State runner-up.

BASKETBALL

Lady Pats Stay Optimistic

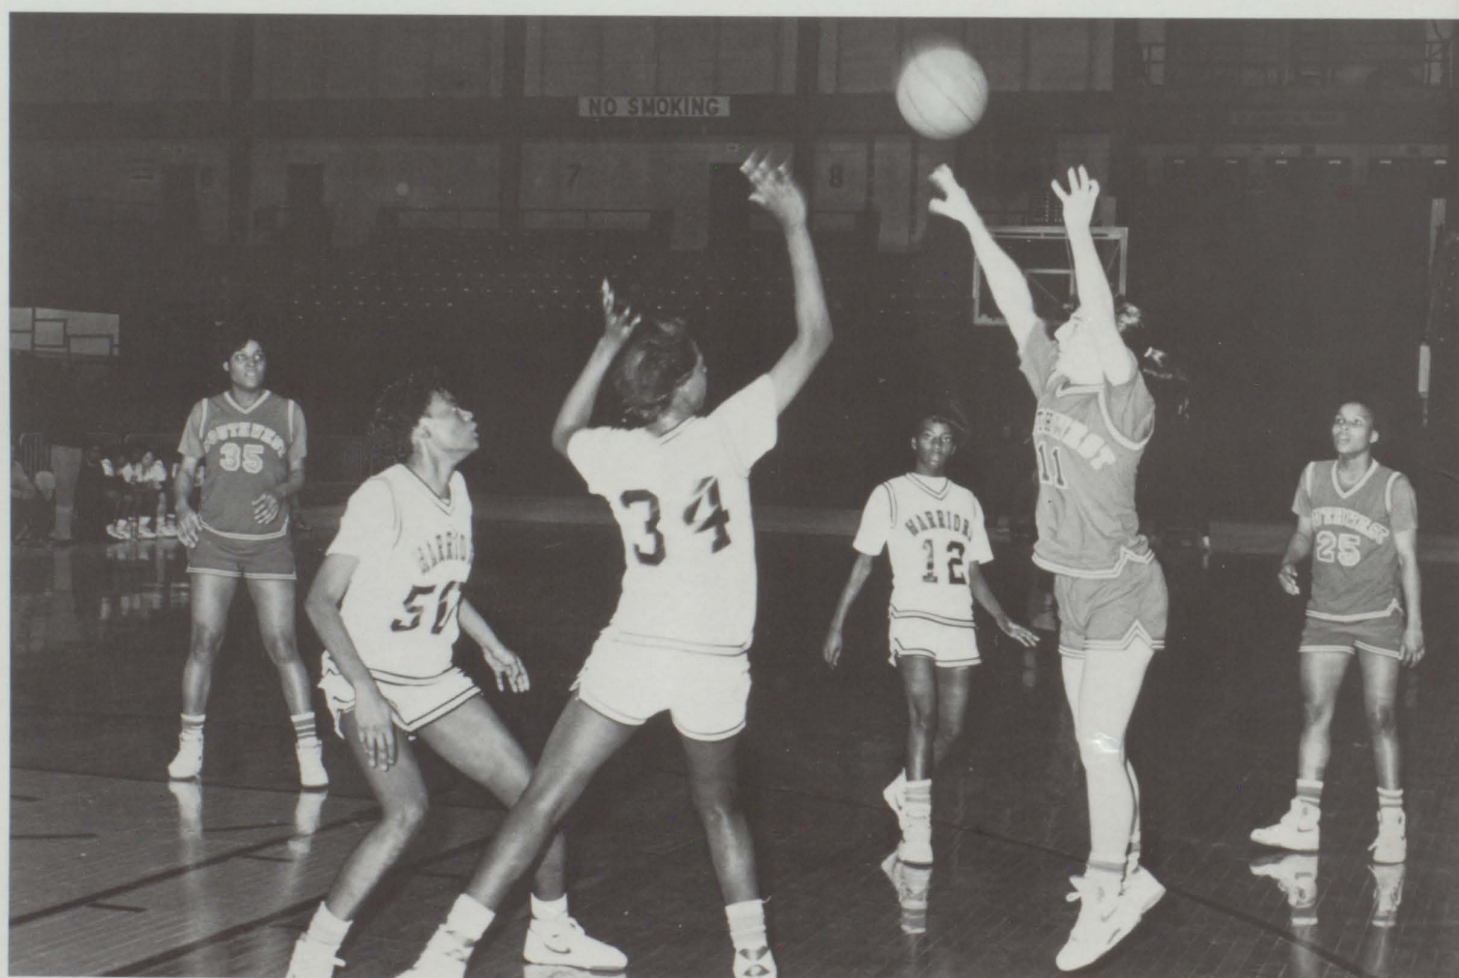

The 1989-90 season for the Southwest Lady Patriots was another successful year for a relatively young and inexperienced team. They compiled a 16-6 record and won the Savannah Holiday Classic Tournament. Coaches **Albert Sharpe**, **Iris Hill**, and **David Reid** felt the girls won more games than they had anticipated at the beginning of the season. The team had only three experienced players returning from last years Region Champions — seniors **Larita Knight** and **Latarsha Harvey** and junior **Lisa Howard**. Rounding out the starting five were juniors **Taniece Smith** and **Tonya Woolfolk**. With the loss of Knight at mid-season, freshman **Asa Grant** was thrust into a starting

position. The team then looked to Howard and Harvey for their offense. Both these players were excellent outside shooters and could also drive to the basket. Lisa Howard finished the season averaging 16 points and 8 assists per game. Latarsha Harvey averaged 15 points and 8 rebounds per game.

SW Stars

The Southwest Lady Patriots proved that they, too, have the winning basketball spirit by capturing first place in the Savannah Holiday Classic tournament during the Christmas holidays. During first round play they defeated Jenkins 84-21, and then won over Windsor Forest 67-29. In the championship game **Larita Knight** and **Lisa Howard** scored 20 and 17 points respectively to lead the Southwest Lady Patriots to a 67-29 victory. Knight was named the Tournament MVP. The Lady Patriots placed four players on the All-Tournament team — **Larita Knight, Lisa Howard, Taniece Smith, and Latarsha Harvey**. Southwest was also honored when both Lisa Howard and Tasha Harvey were named the All-City second team.

Pats Win Region With 12-0 Record

The talented Southwest Patriots continued their winning tradition by having another outstanding season. Coached by **Don Richardson, Clyde Barden, and Ronald Taylor**, this team proved to be the best in Region 2AAAA by finishing with a perfect 12-0 region record. The thriller of the season was the game between Southwest and Baldwin. The game ended 82-81 in Southwest's favor after FIVE overtimes. **Reginald Manuel** hit the winning free throw with no time remaining on the clock to end two hours and 45 minutes of exciting basketball. Manuel finished the game with 35 points and **Charlie Simmons** had 20 points.

Another exciting experience for the Patriots was their trip to Chicago, Illinois, to play in the Windy City Classic during the Christmas holidays. De La Salle of Chicago handed the Patriots their first loss of the season 56-44, but Southwest came back the following two games defeating Flint Central of Michigan 61-51 and Chicago's Simoen 53-44.

PLAYERS

SW Makes Final Four

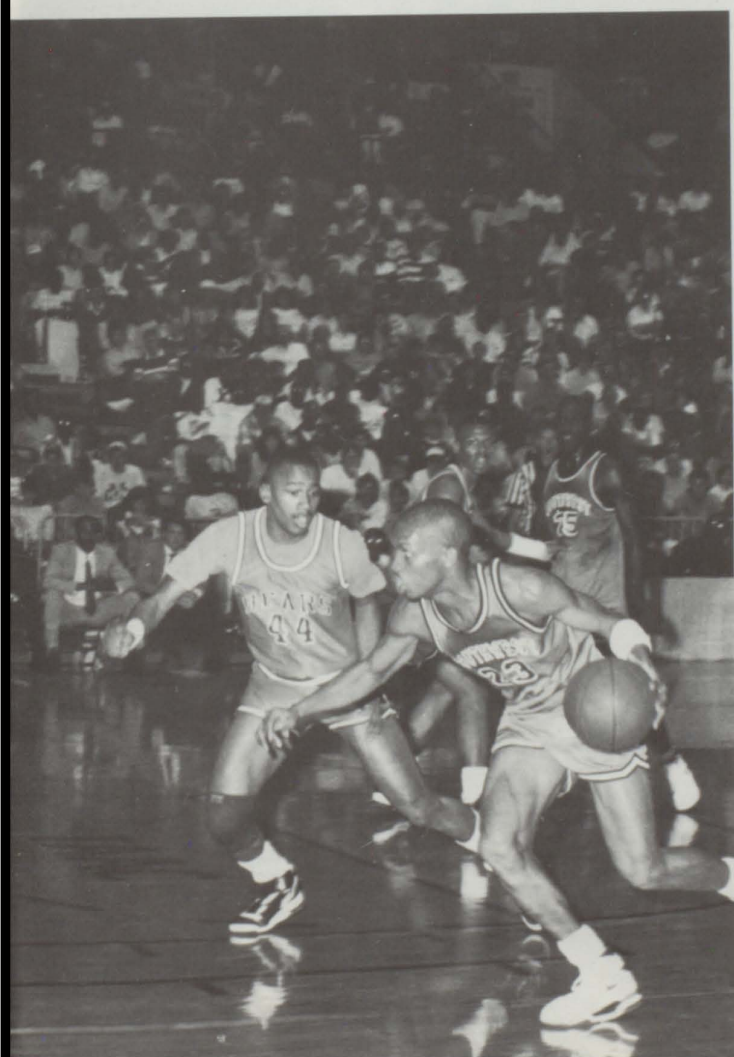

After another successful season, Southwest entered sub-region play. The Patriots played an inspired Baldwin team for a third time, but Southwest cruised to the Sub-Region title with a 75-55 win. **Charlie Simmons** was the game high scorer with 24 points including four 3-pointers. The win secured Southwest home-court advantage in the Region playoffs. Their first opponent in the region play was city rival Central. Southwest defeated them 107 to 81, and then defeated Butler by breaking the century mark again with 103 to 68 victory to win the region 2AAAA title. This Win qualified the Patriots for the state tournament. First round opponent for Southwest was Carver of Columbus. Southwest won the game 56 to 34 with **Sharone Wright** leading the way with 19 points. The Patriots then defeated Griffin 55-40 with **Charlie Simmons** scoring 26 points.

The Patriots then headed to Atlanta and the Final Four of the State AAAA Tournament. Their dream of a seventh and second consecutive state title came to an end at the hands of Columbia in an

overtime 69-60 game. Even in defeat the Southwest Patriots exhibited their true class on and off the court and ended a 25-3 season still number one in the hearts of all their supporters.

During the season, the Patriots were led by Reginald "Doc" Manuel and **Sharone Wright**. Both players were selected to the All-City and All-Middle Georgia teams. Manuel was also named the *Macon Telegraph and News* Player of the Year and was honored at the Annual Naismith Awards Banquet by being named to the Georgia State All Star Team. Manuel averaged 25 points and 5 rebounds a game with Wright contributing 20 points and 17 rebounds per game. Fans are looking forward to next season with the return of both of these talented players.

On The Rise

The Ninth Grade Boys Basketball Team had another outstanding season. For the second straight year they went undefeated with a record of 10-0 and captured the City Championship. Coach **Eddie Robinson** honored the team at a banquet at Quincy's. Each player received a trophy engraved with their name and the season's record.

The B-Team Boys Basketball Team coached by **Ronald Taylor** had a respectable record of 5-5. The talent exhibited by these young men will certainly help continue the tradition of future basketball teams. The B-Team girls had a learning experience this past season. Even though the team finished 0-10, it does not reflect the hard work put in by these young ladies and their coach, **Iris Hill**.

VARSITY BASEBALL

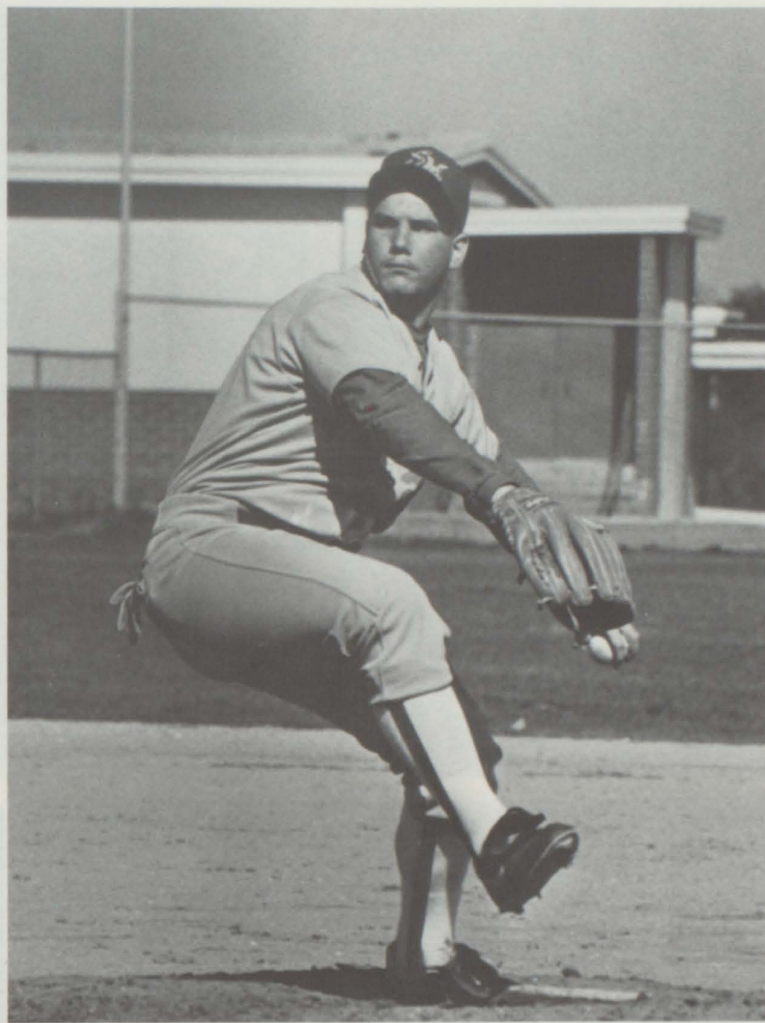

Hustling Around The Diamond

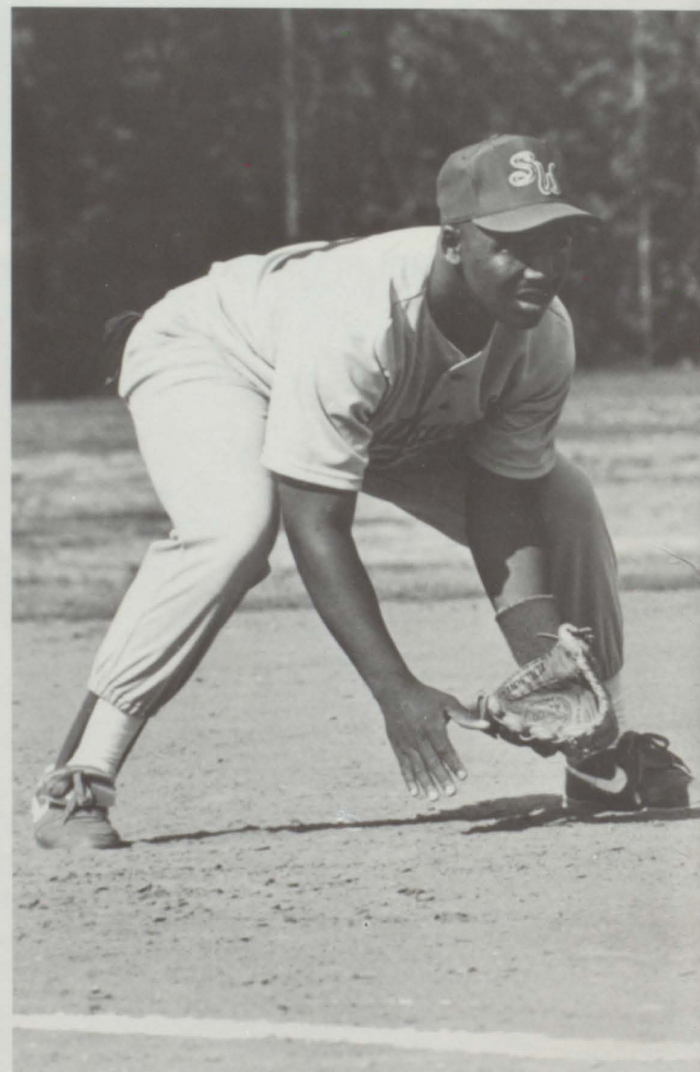

The Patriots baseball team began the season looking sharp in their new uniforms. After a loss to Jones County, the Patriots won three in a row by defeating Central, Southeast, and Northeast. They lost to Northside in the Lem Clark Tournament finals. Their hopes of a good season fell through due to injuries sustained by two of the top pitchers. However, everything came together for the Pats in the series sweeps of Baldwin and Northeast. The season ended with a 7-12 record.

In spite of less than perfect season, the future for the Patriot's baseball team looks bright. With diamonds in the rough, **Tim Hicks** and **Todd Walker**, both Freshmen and the promising talent of Junior, **Ashley Dixon**, the 1991 season looks good.

B-Team/Ninth Grade Baseball

Batter Up!

The B-Team was coached by **Coach Grube**, and they had a very good season. Their record was 5-4 with wins against Warner Robins, Northside, and three wins against Southeast. The B-Team had just the right talent for next years varsity team. The Ninth grade team was under the direction of **Coach Matthews**, who taught the boys all they need to know for the upcoming year. The team finished their season with a record of three wins and three losses.

Track

On The Right Track

The Girls Varsity track team faced a tough season this year with speed and agility. The team more than fulfilled their coaches expectations with strong finishes in their track meets. The team had a natural ability to work together. The highlight of the season was when the team competed in a city wide meet and placed a strong second out of four Macon schools. **LaTonya Woolfolk** qualified for the state tournament in the long jump. With a number of the ladies returning next year, the Lady Patriots promise to have a bright future.

Hard Workers

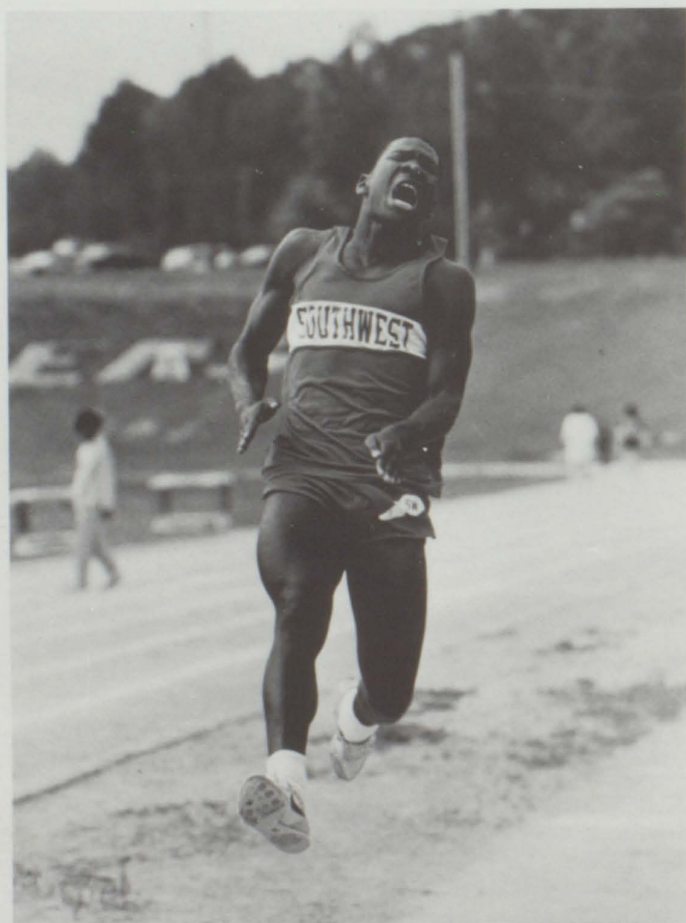

The Boys Varsity Track team went into the season with great expectations of having a good year. The team fulfilled these expectations with top honors. The 440 relay team competed valiantly with other Middle Georgia's best teams. The 440 Relay and Mile Relay teams finished first in the All-City to capture the City Championship. The 440 Relay and Mile Relay teams were composed of **Airrion Malory, Carlos Blake, Reggie Williams**, and led by **Gabriel Harmon**. Carlos Blake qualified for the State Tournament in the 300m hurdles and long jump. Blake finished third in the 300m hurdles.

GOLF

In the Swing of Things

It's a hole in one, Fore!! What a slice, nice drive. These are just a few of the remarks you hear on the green during a golf match. Yes, it's that time again, time for the 1990 Southwest Golf team to take to the course. This years team was led by Senior, **Jeff Marshall**, an outstanding young golfer.

The team was made up of young and inexperienced players who tried as hard as they could to help the team out. The 1990 golfers traveled to Greensboro to play in the Region Tournament, they placed in sixth at this competition. Jeff Marshall brought a win to the team as he placed third in the City Tournament.

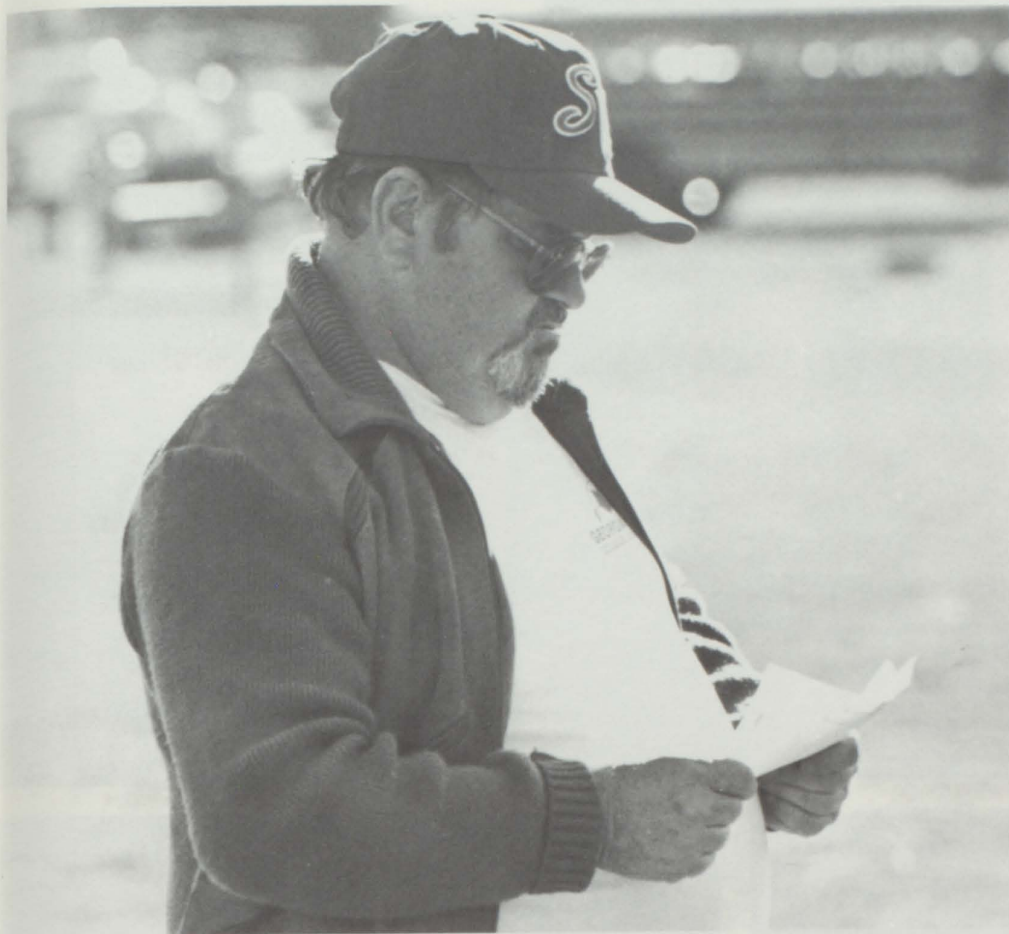

The Patriots played hard all year long showing both pride and determination. With a few players returning, they are looking forward to another good season.

SOCCER

Second Time Around

The Patriot Soccer team started their second season with team of young, inexperienced players. Their season ended with a record of four wins and three losses. The Patriots lost their first game to an experienced Dublin team, 8-2. In their second game, the Patriots' skills showed improvement, as they beat Southeast 3-0, in overtime. Although they lost against Dublin, the team was victorious over Perry and Southeast. In a show of spirit, the Patriots played Central for the City Championship, losing 6-2.

Southwest showed their pride and spirit the "second time around" and are looking forward to next year.

TENNIS

SW Smashers

The SW Smashers were coached by **Iris Hill**. She coached the girls' team to a record of three wins and four losses. The boys' team had a record of four wins and three losses. Both boys' and girls' teams are only losing one player this year, so the upcoming year looks promising. Most of the members from both teams were first year players. In the Region 2AAAA, the girls lost out in the first round while the boys advanced to the quarter-finals in Augusta.

CHEERLEADERS

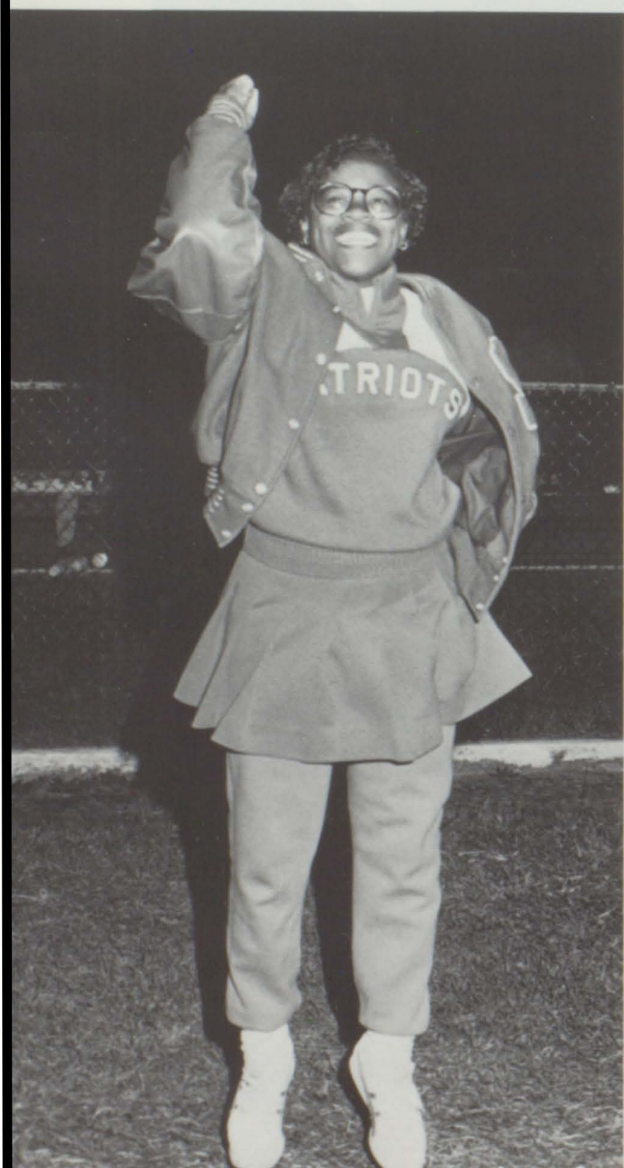

Cheerleaders Rally Crowd

Behind every great team, such as ours, is a group of hard working cheerleaders. While their jobs may appear to be all fun and games, the truth is, these very dedicated ladies put in several hours a week practicing their routines. The Varsity Cheerleaders cheer faithfully during football season and the long basketball season. These girls put forth every effort to give support to our athletes, and our winning records show just how well they do.

The cheerleaders have many fundraisers each year, such as candy sales, to pay for the cheerleading camp they attend during the summer. This year the tedious work paid off. They raised enough money to go to Chicago, Illinois,

to cheer for the boys basketball team when they played in the Windy City Classic during the Christmas holidays. This year's great group of cheerleaders was under the capable direction of **Shelia Bell**.

TOP, LEFT TO RIGHT: Jennifer Chapman shows spirit by clapping her way to victory. Cheerleaders shows Southwest is number one by huddling together after the Central game. The Cheerleader

The 1989-90 Southwest Jr. Varsity Cheerleading squad consisted of nine exceptional young ladies. At UGA's Cheerleading Camp, the girls received an Award of Excellence. Under the guidance of **Mrs. India Cater**, the Jr. Varsity Cheerleaders truly perfected and boosted the traditional image of "The Cheerleader."

Besides all the hard work on the field, the cheerleaders also sold football programs for the football team. They have already begun to plan for summer camp.

True Spirit

The Ninth Grade Cheerleading Squad, coached by **Mary Cliett**, demonstrated strong support for the ninth grade teams at Southwest. Every year the Ninth Grade Cheerleaders look forward to the Homecoming game because they have the opportunity to cheer along with the Varsity Cheerleaders. They really expressed their enthusiastic spirit that night.

Along with their other events, they sold doughnuts to help raise money for the Ninth Grade Basketball banquet. Through their outstanding performance the girls showed their "true spirit" throughout the year. These girls are looking forward to advancing to the B-Team and Varsity squads.

PEOPLE

Southwest's Executives

Every good "factory" has to have a Board Room. In that room, or suite of offices are the Chairman of the Board, the C.E.O. and other executive personnel. In the Education Business they are referred to as Principals. Southwest has been fortunate in the past as well as the present, to have had CEO's of the highest caliber. **Mr. Gerald Stuart** serves as the Complex CEO (Principal). He sets the standards for the entire school to follow. **Mr. Jesse Mays**, First V.P. (Assistant Principal) handles the daily problems of running a business... which is usually disruptive "workers" (students). **Mrs. Jackie Richardson**, Production Manager, (Assistant Principal of Instruction) approves the plans and makes sure that the Plant Supervisors (teachers) are on task. **Mr. Charles Rogers**, Technical Engineer (Principal of Vocational Building), makes sure that the vocational interests of the students are served. In the Willingham A Plant, **Mr. John Grenga** serves as CEO. He is assisted in those duties by **Mrs. Grace McCormick**.

Southwest is one of many plants in the Bibb County Cor-

poration. Chairman of the Board is **Dr. Thomas Hagler**, who serves as Superintendent of Bibb County Schools. He has been with the Bibb System for nine years and has implemented many changes in the factories through his emphasis on "excellence in the product". **Mr. William Bell** is Assistant Superintendent for Secondary Education. Mr. Bell has been with the "company" for over thirty years. **Dr. Thomas Madison** is the Deputy Superintendent of this corporation. With this Board there is no question of a successfully geared product.

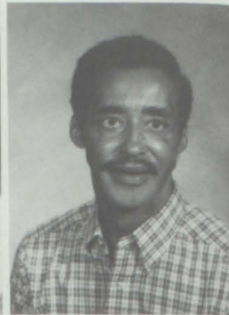

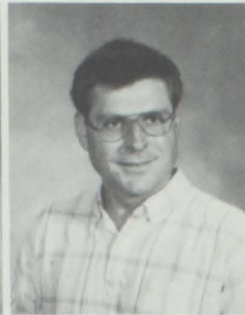

Opposite Page: The Executives gear up for the Spirit of '90. **TOP LEFT:** Gerald Stuart, Complex Principal-B.S., Ed. S.; Jesse Mays, WB Assistant Principal-M.A., B.S., M. Ed., Ed. Smooth Operator

When you enter the office of Willingham B, you are greeted with a friendly face and warm smile. This warm smile belongs to **Carolyn Andrews**.

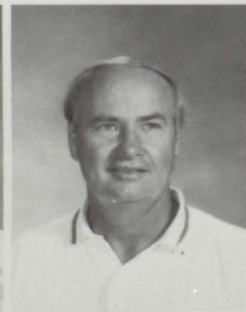

Mrs. Andrews has been serving as a secretary at Southwest for nine years, first at McEvoy B then Willingham B. Even though it is her job to keep things going smoothly in the office, she manages to keep a smile on her face and never has one complaint about anything.

In her years at Southwest, she has made many friends not only with the faculty but among the students as well. Mrs. Andrews says the thing she likes most about her job is being able to deal with people. Anytime of the day you go into the office she always greets you with a warm smile and a friendly hello!

Everyone at Southwest appreciates her hard work and dedication and we hope she never decides to retire and leave us.

Never A Dull Moment

With three children all under the age of five, **Mrs. Veronica Calhoun** admits "there is never a dull moment." But what makes them so special is that they are all adopted. Anthony and Wesley, the youngest, are twins. The oldest, Sondra, is five years old.

Mrs. Calhoun's reasons for adopting these children are that she loved them and she knew that love was the main ingredient in helping these children adjust to a new home.

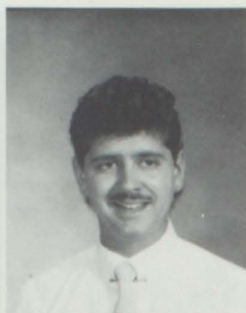

Although she didn't get to raise them during infancy, she is happy that she missed the experience of changing diapers with the five year old. She also says that getting through this stage with the twins will be a great relief. Even though she is always divided into three pieces and is always rushing to beat the clock, she is happy and may even adopt more children.

Heavenly Music

Psalms 100 reads: "Make a joyful noise unto the Lord" and that's exactly what **Ms. Judy Moore** wanted to do. "I knew my singing voice was bad, so I decided to take up the handbells," she said. Ms. Moore has been playing the handbells for seven years. She performs with the handbell choir of the Mulberry Street United Methodist Church. "I'm the only person in the handbell choir that does not know how to read music, so I practice at home using teaspoons as handbells." The choir performs at church services and also at weddings. Even when asked if she had won any awards from her hobby, Ms. Moore replied, "Is this a trick question?" Although Ms. Moore has not won any awards for her music she wants to "continue playing and serving God in this manner."

Make Me An Instrument

"Make Me An Instrument", the title of the Bell Sisters' first album, may give **Ms. Shelia Bell** the break she's been waiting for. Ms. Bell has a natural talent for singing. "I've been singing and playing the piano for my father's church since the early age of twelve."

Ms. Bell is very excited about making her first album. "It's a wonderful feeling to do something of this magnitude, to sit back and listen to the album is absolutely out of this world." Ms. Bell, one day, hopes to make singing her career. "I'm working on it right now and I hope for that big break very soon." And who knows, Ms. Bell may become the next Whitney Houston.

Family Hobby

Collecting baseball cards is a real "family affair" for **Coach Danny Grube**. He and his four brothers have been collectors since they were young children. Today, Coach Grube shares his hobby with his three children.

"I've collected baseball cards since I was in the first grade. I played baseball almost everyday when I was growing up. . .I guess that's what got me interested in the cards." He is especially proud of a Mickey Mantle Rookie Card. His collection consists of mostly pre — 1970's cards, but he does own quite a few newer ones, such as 25 of Jose Canseco's rookie cards. "They may be valuable some day. I don't collect for the money, I just love baseball." Coach Grube's collection consists of over 10,000 cards and includes another special card, former Southwest Patriot, Milton Cuyler's Rookie Card.

Strumming His Banjo

You're on your way to third period, and as you pass by **Mr. Emmett Young's** doorway, you hear the sound of music. Guitar music to be exact. If you think you're dreaming, you're wrong!

It all started thirty years ago when Mr. Young began studying Master Class with such great artists as John Sutherland and Jose Tores. In his earlier years, he even played the trumpet for the band, "The Lamplighters."

Mr. Young's abilities range from classical guitar to hard rock. Included in his repertoire are bluegrass, country, and jazz pieces.

Mr. Young's musical interest has added to his responsibilities. He owns his own Studio Teaching Business, and teaches classes in guitar and banjo at Macon College.

Excellence in Education

Mrs. Christine Kpor recently received the "Bibb County Special Education Teacher of the Year" Award. She is a member of the Council for Exceptional Children and the Georgia Association for Educators. Mrs. Kpor studied at Georgia College and Memphis State University. She has never thought of Special Education as being anything more than offering extra help for those who need it. She has travelled extensively throughout Europe and Africa and lived in Monrovia, Liberia, for five years. Her favorite pastimes are listening to soothing music, collecting mugs, and helping others help themselves.

Southwest's Teacher of the Year for 1990 was **Ms. Ann Fugate** and the nominee from our school for Bibb Co. Teacher of the Year. As one of the three finalists Ms. Fugate was runner-up for this honor. She has a B.S. degree from the University of Tennessee at Chattanooga and an M. Ed. from Georgia College. After twenty-eight years of teaching Ms. "Fruitcake", as she is affectionately called, still loves working with young people. At Southwest she teaches Social Studies, advises the Yearbook Staff, and keeps the scorebooks for the Varsity Basketball teams. Outside of school Ms. Fugate loves her "bowling". She was named Macon's Bowler of the Year in 1980.

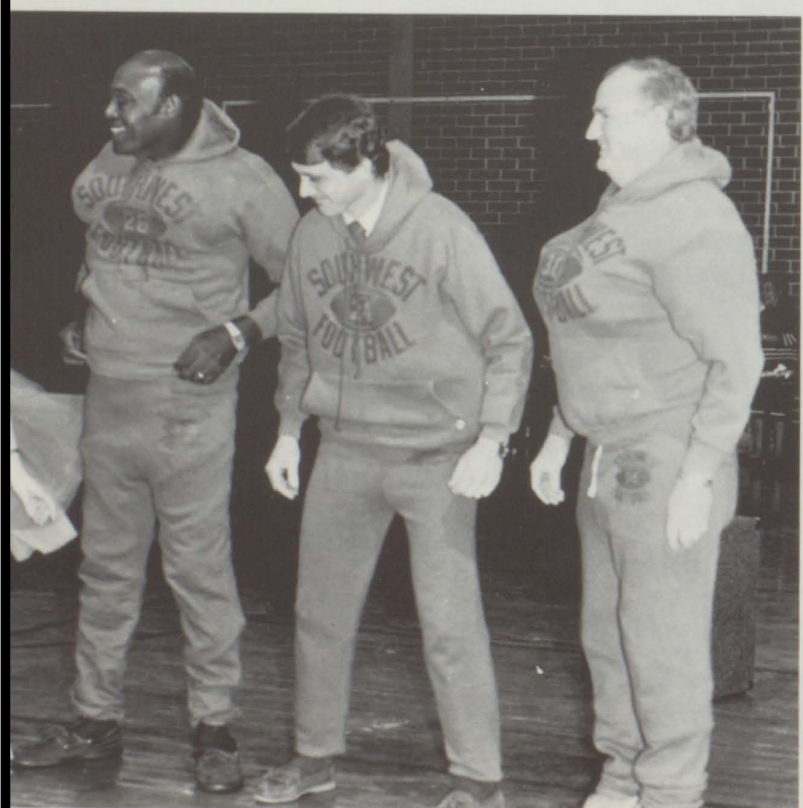

Thank You

The students of Southwest High School want to send a very special "thank you" to the lunchroom staffs of Willingham A and B. Their day begins around 6:30 am when they arrive at school to begin scrambling eggs and frying bacon. After breakfast they begin to prepare us a well balanced meal for lunch. Our lunch usually consists of one meat, two vegetables, and a dessert of our choice.

We the students, sometimes forget how hard our lunchroom staff works. Cooking food, especially in the summer when there is no air conditioning (Willingham B) can be very hard work. So the next time you go through the lunchline and the staff is waiting to serve you with a smile, remember how hard they have worked and say "Thank You".

"Seasons Greetings" from the Faculty

Christmas would not be the same without the faculty's performance of the "Twelve Days of Christmas." The faculty puts on this great skit annually for the Senior class. The teachers continue to put on a show that displays their Christmas spirit. Milking maids, leaping lords, and dancing ladies got the seniors rocking with Christmas spirit. Everyone laughed when **Mr. Stuart, Mr. Mays, and Mrs. Richardson** portrayed the drummers of the Southwest Marching Band. After the skit, the teachers provided the seniors with

Christmas goodies. The students really enjoyed the performance and will always cherish it.

If there is anything you want to know about baseball, just ask **Brian Dunlap**. His interest in the game and a natural curiosity got him interested in collecting Baseball Cards about five years ago. Brian says he enjoys studying the statistics and trivia of the game and his favorite players. He has over

nine thousand five hundred cards in his collection and Brian says "as long as I am alive and they continue to make the cards" he'll continue to collect them. Some of the cards have become valuable over the years, but Brian's main reason for collecting is his love for baseball!

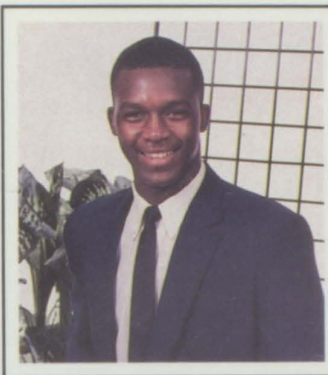

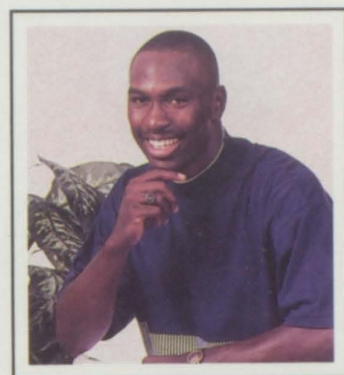

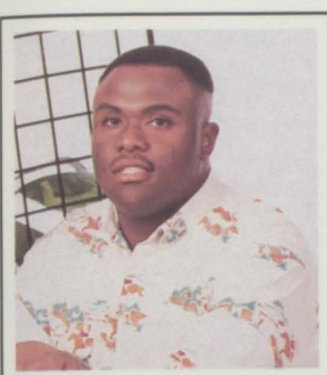

In talking with French exchange student, **Christine Germain**, one discovers that Chris has interests similar to our young people. Christine lives in Brittany where she has completed high school. She enjoys playing tennis, swimming, and jogging. Chris also enjoys history and philosophy

and hopes to attend law school. She is also looking forward to visiting China in the future.

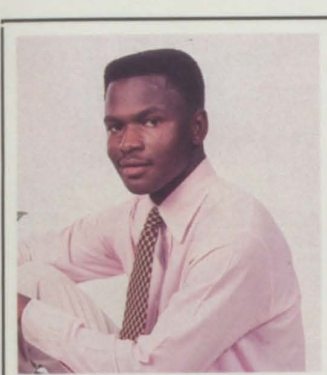

Southwest's other exchange student is **Aaron Deang** who comes from the Phillipine Islands. Both of these students are far from home, but seem to enjoy Macon's hospitality.

Jimmy Melton has been "working on the railroad" since he was six years old. His interest in trains began when he visited Chattanooga, Tennessee, and saw the model train layout. His father helped him construct a model village, complete with mountains, stores, and houses. Jimmy has almost 200

engines and cars which pass through tunnels and through his town. He has boxcars, tankers, flatcars, and of course, a little red caboose. Other than model trains, he also has a collection of pewter trains. Jimmy has a genuine engineer's cap which came from the railroad museum in Strasburg, Pennsylvania. He also has a collection

of railroad paraphernalia, which includes patches, key chains, belt buckles, spikes, and pictures. Although he will be leaving the trains behind when he leaves for college, Jimmy will be a heckuva engineer. Jimmy is going to Georgia Tech.

If music is the "international language", then **Dennis Henry**, **Chris Griffin**, and **Ken Jones** can really speak the language! Dennis has been playing the trumpet for six years. He says he expresses himself through his music. He performs with Southwest's Marching Band and Jazz En-

semble and the All-State Jazz Workshop.

Chris took his first piano lesson when he was nine. He has earned superior ratings in festival competitions. He is working on his own compositions and hopes to become one of the best musicians of all time.

Ken's goal is to be the best bass player in the world. He

began playing bass four years ago and plans to study music in college. He, too, performs with Southwest's Jazz Ensemble, and has received recognition by the Georgia Association of Jazz Educators and the Macon Kiwanis Club. His dream of becoming a studio musician is rapidly becoming reality.

She believes in the magic of carousel horses. **Kristina Clinard** surrounds herself with statues, pictures, and even a blanket of these beautiful horses. Kristina has it all. She began to collect carousel paraphernalia while vacationing in New Hampshire, a state known for its champion horses. "I just

love horses in general, but there is a special beauty and magical quality in a carousel horse." Kristina enjoys reading and working with people, too. She is certain to continue her collection after high school. Who knows? Someday she may have a real life size carousel in her yard!

DeWayne Richardson just loves the water! He has been skiing since the early age of eight. DeWayne has delighted his friends with his tricky stunts. He slaloms (skiing with one ski) and also rides his kneeboard. He can't wait for the warm weather to arrive so he can get out on the water. Sometimes he

doesn't wait — he skis in cool temperatures, too. DeWayne's current interest is in wind-surfing. He should have no problem continuing his hobby because DeWayne plans to have a career in Marine biology. He'll probably grow gills before the Class of 90's tenth reunion.

Southwest's Super Seniors

Macon's Central City Park has been the sight of many special events, from horse shows, to ball games, to the annual Georgia State Fair. It's ponds, fountains, and gazebo hold a little bit of southern charm for Maconites and also for visitors who come to the city.

Each year the seniors at

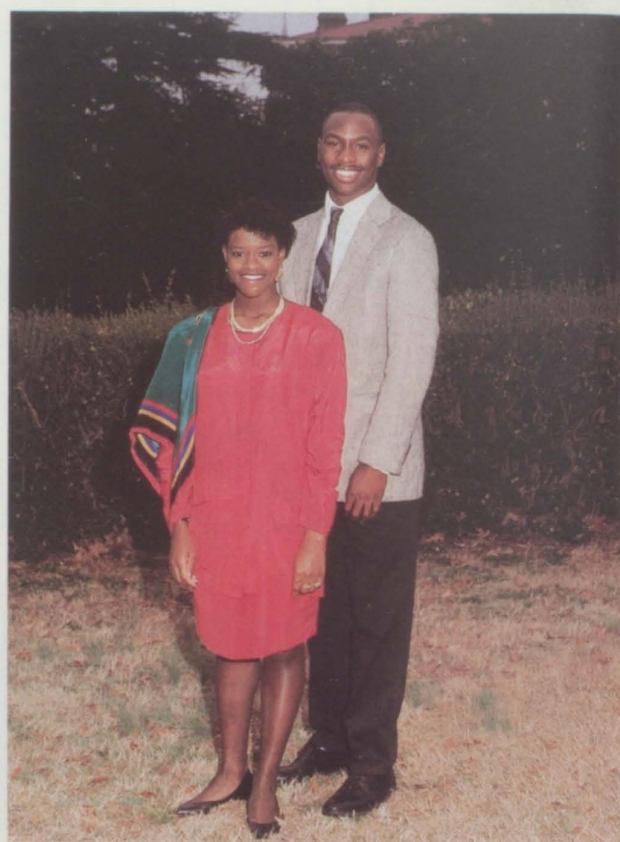

Southwest select their favorites from the members of their class to represent them as "Southwest's Super Seniors". They excell academically, physically, and socially to be the best in their class. This year those special seniors are: **Most Academic** - Nolita Woolfork and James Fordham; **Most Likely to Succeed** - Lisa Her-

ring and Robbie Romeiser; **Most Athletic** - Trece Dinkins and Joe Dupree; **Best Dressed** - Kim Jones and Patrick Bentley; **Best All-Around**- Erica Jaskula and Charles Allen; **Most Popular**- Skyla Talton and Chris Spivey; **Most Spirited**- Sharon Hughes and Derek Dumas; **Best Personality** - Ericka Brown and Perez Cum-

mings.

The Spirit of '90 Staff would like to congratulate these outstanding students. They are the best of the best and we hope that they can live up to their titles as "superlatives". They are part of the reason why Southwest is on top, where we belong.

Stick With Cray

Warren Cray, Vice-President of the Southwest Beta Club, became President of the State Beta Club in early February. Not only was this a personal victory for Warren, but this was a victory for all Beta Club members and advisors. Warren's leadership qualities helped him take charge of the convention and with the help of his fellow members, the slogan "Stick with Cray! He'll make your day!" became famous. The spirit of Southwest was strongly displayed as everyone rallied behind Warren.

Congratulations to Warren Cray and the entire Southwest Beta Club for a job well done!

Gearing For Our Sr. Year

What is the best thing about becoming a Sr.?

- 1 — Getting Sr. Ring
- 2 — "It's my LAST year here!"
- 3 — Sr. privileges
- 4 — Prom
- 5 — Graduation
- 6 — Sr. Cruise
- 7 — "No longer an UNDERCLASS-MEN!"

What is the worst thing about becoming a Sr.?

- 1 — TOO EXPENSIVE!
- 2 — Leaving close friends
- 3 — TOO EXPENSIVE!
- 4 — Term papers
- 5 — TOO EXPENSIVE!
- 6 — Decisions about the future
- 7 — TOO EXPENSIVE!

Beta Club

Serving the Community with Pride

The Southwest chapter of the National Beta Club has once again served its community with pride. The Beta Club is an honors society focused on aiding the community in various ways. To become a Beta member, a student must earn a 3.6 GPA, and maintain a 3.5 GPA to remain in the club.

The Beta Club participates in a number of service projects each year. The 1989-90 school year was no exception. The members of the club made "goodies" for the teachers during American Education Week. There was an event called military mail call, in which letters and cards were sent by Betas to military persons overseas. At Christmas time, the club sent \$100 to the relief fund for Hurricane Hugo victims. On Valentine's Day, sweethearts received suckers sold by the Beta Club. In continuing with their goal to serve those less fortunate, Betas collected personal hygiene items for the Macon Rescue Mission and

sent Easter baskets to local nursing homes. At the State Beta Convention in February, Southwest Betas campaigned vigorously for Junior **Warren Cray** as he ran for the office of State President. Wearing T-shirts and chewing gum wrappers, Betas urged State members to "stick with Cray."

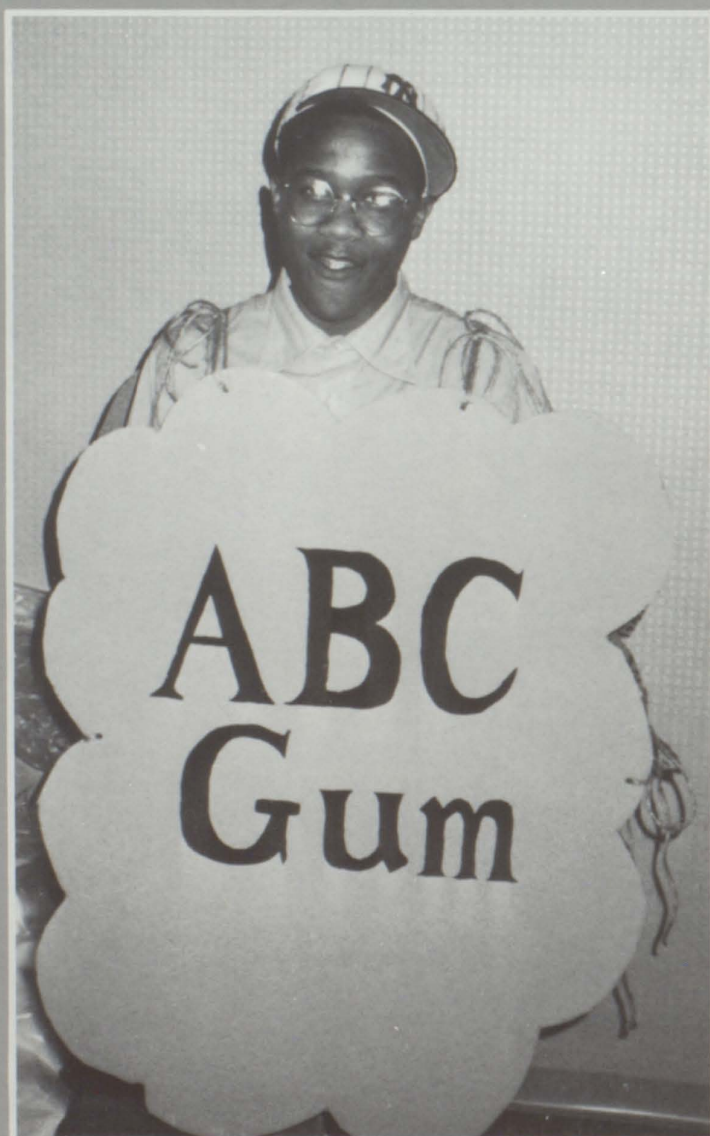

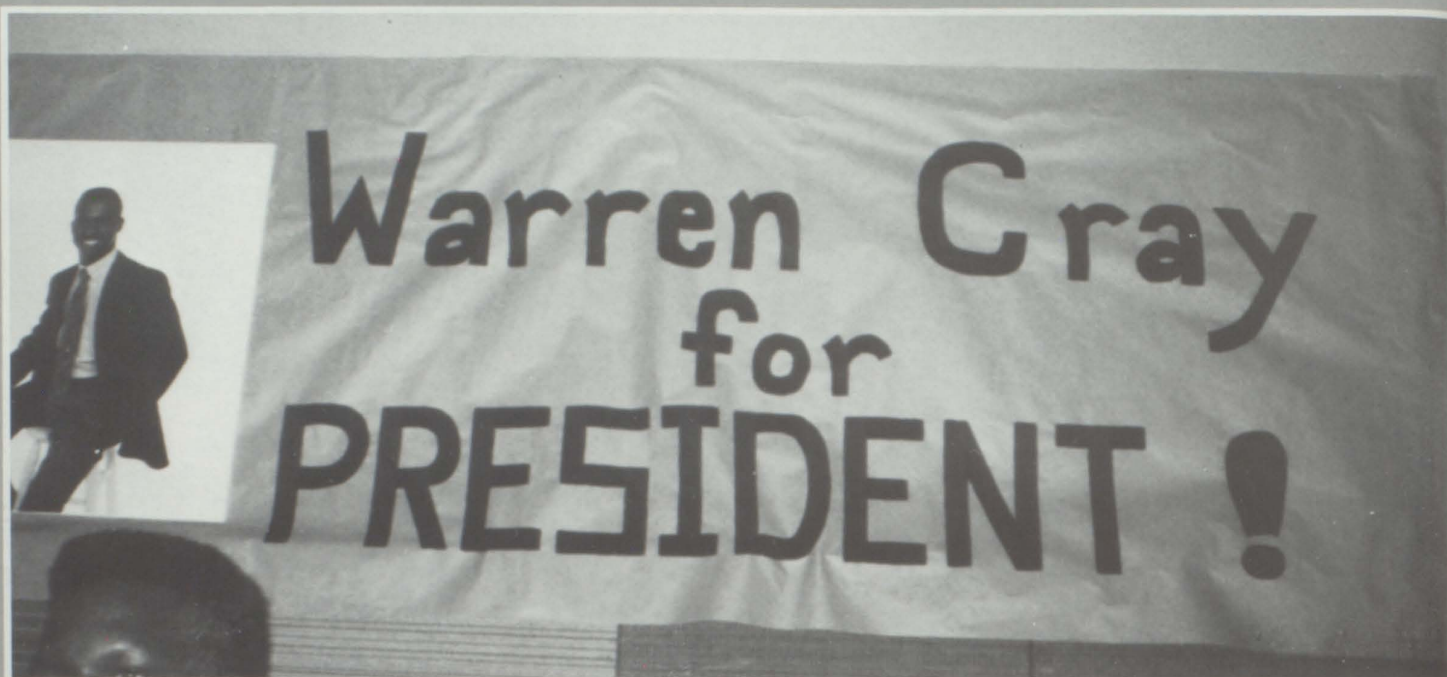

The Beta Banquet was held May 15, for Beta members only. Betas were treated to dinner, at the Willingham B lunchroom. Advisor, **Judy Moore** presented Beta Beagles to selected members. Also at the banquet, next years Beta officers were announced.

Cray Elected!

The enthusiastic Southwest Betas pulled up to the Atlanta Hyatt-Regency Hotel looking forward to a weekend full of excitement, fun and memories. The convention consisted of inspirational speakers, "get acquainted" dances, colorful skits, and dignified campaign speeches. The slogan "*Stick with Cray*" seemed to be the most popular theme known at the Georgia State Beta Convention mainly because Southwest Betas campaigned with the most spirit, pride, and confidence. With these same qualities, **Warren Cray** was able to capture the title and office of State Presidency.

TOP, LEFT TO RIGHT: Warren Cray runs for state Beta President. Marvetta Ammons, Joel Stenson, and Kristie Peugh help with the Cray campaign. **MIDDLE, LEFT TO RIGHT:** Bob Henderson shows his spirit by being the already been chewed piece of gum. The Beta Queens exemplify all the qualities needed to be a Super Beta. No matter what your choice of chew Warren Cray is the one for you.

*"Good, Better, Best
Never let them rest
Until your Goods are
Better and your Betters
Are the Best."*

FHA I & II

Express Yourself!

This year, FHA I showed their appreciation to the faculty through home-made gifts. At Thanksgiving, the members made turkeys from pine cones for the faculty. The faculty was treated to decorated cupcakes made by the members on Valentine's Day. The purpose behind these activities was to help develop the creativity and the leadership which lies within each member.

No words can describe the qualities of the FHA II members. Along with the help of its advisor, **Veronica Calhoun**, the club exhibited its talent in the second annual fashion show. In keeping with this year's theme, "Express Yourself," the members designed clothing of several varieties. Students of Mrs. Calhoun's classes, along with those in FHA, worked to create a grand show of style and good taste.

Latin Club

Optime!

This year, under the leadership of the new advisor, **Robert Fightmaster**, the Southwest Latin Club once again showed its compassion and consideration for the community. The new service project for the year was the adoption of a needy family for Thanksgiving and Christmas. Latin students carried food to this family.

To add a new twist to the traditional jerseys, the Latin Club members designed their own shirts. The students painted their new design and slogan on T-shirts. It consisted of an axe with the statement, "In hoc signo vinces," which means, "In this sign you will conquer."

Spanish Club

Uno, dos, tres

One, two, three the Spanish club, advised by **Linda Bowden**, is once again on a roll. This year, the Spanish Club managed to roll their way into the lives of orphans and underprivileged children. In December, they sent Christmas gifts to an orphan in Honduras. In April, the club sponsored an Easter egg hunt for underprivileged children.

Math Team

Dedicated Mathematicians

Not many students are willing to be at school at 5:30 A.M. on Saturday mornings, to spend the day solving complicated math problems. This is a familiar scene in the life of a SW Math Team member. They spend time before and after school trying to learn theorems, formulas, etc.

The Math Team got off to a good start this year. Both Jr. Varsity and Varsity teams have been busy studying in order to stand out beyond the rest. Their advisors have worked hard to insure that when Southwest leaves a competition, they've done their best.

Mu Alpha Theta

Figuring It Out

Mu Alpha Theta is a service club for students who excel in the area of math. It promotes enjoyment and understanding of mathematics. The club is advised by **Alice Dickey** and **Gwen Simmons**. Each Thursday MAΘ members tutor students who have difficulty with math. The club also provides services to the community through projects done during Thanksgiving and Easter. The club members also show appreciation to the teachers and the staff for assisting in our educational growth.

Computer Club

Computing Toward the Future

The Southwest Computer Club are getting ready for the future, under new leadership of **Milton Ivery**. They were involved in a numerous amount of activities this year. The club visited the Sears Claims building to study the different types of claims, such as accident home fires, and real estate claims. They attended many other computer facilities to learn about the many functions of the computer. This gave the members a chance to learn more about the many opportunities available to them in the future computer world.

Rainey, K. Randolph, B. Simmons, T. Smith, C. Stephens, B. Thomas, C. Thomas, A. Utting, A. Wallace.

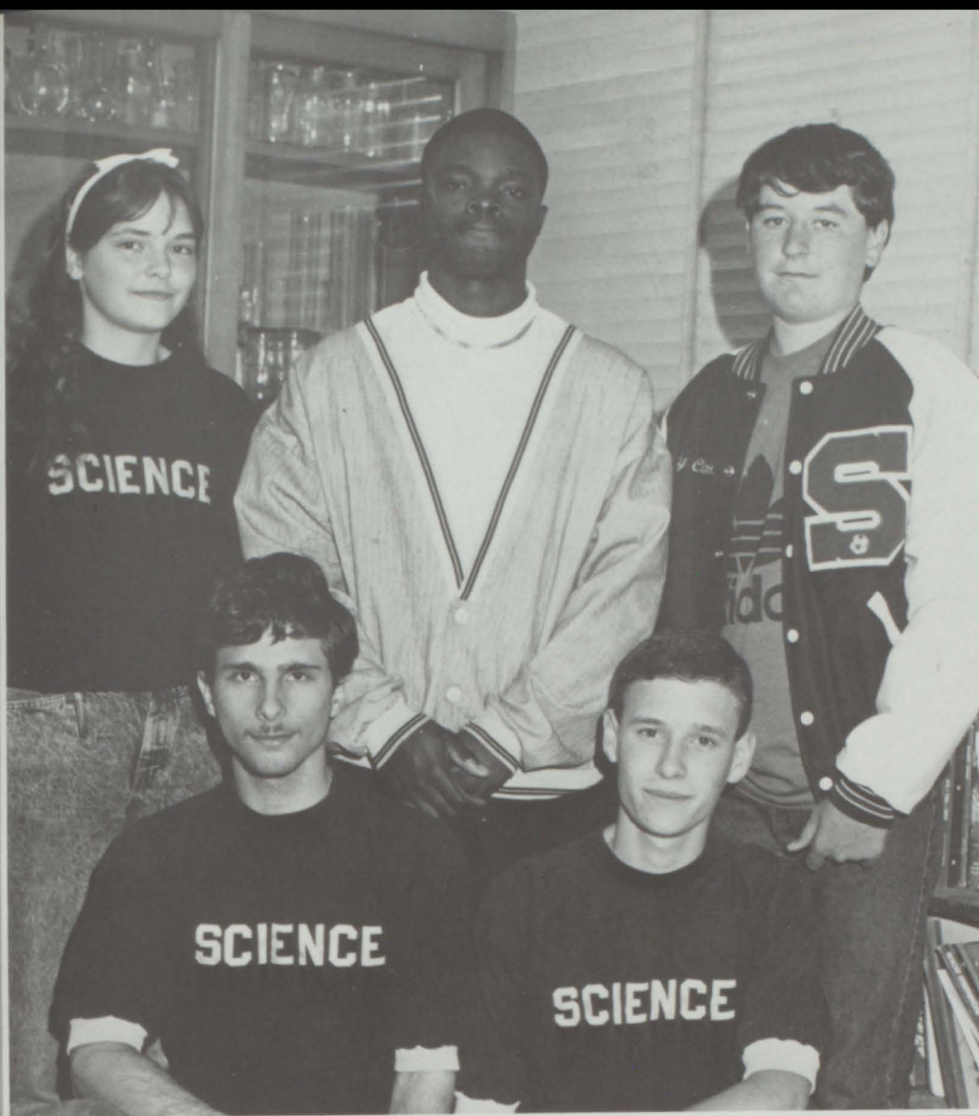

Science/ Academic

Stars of Tomorrow

The Academic Team sharpened more than their pencils this year. The members of this group worked hard to sharpen their wits! Academic competition is a challenging way for students to compete with teams from other schools in a "Battle of Brains." The team answers questions on a variety of subjects in competitions on county and state levels. Thanks to the advisor, **Mr. James Barfield**, Southwest is able to compete in numerous academic meets throughout the school term.

This year's Science Club was advised by **James Hinson** and **Richard Merchant**. Among other activities, this year's club is noted for their help in organizing and judging the 1990 Bibb County Science Fair.

TOP: Science Club members: *Standing:* A. Merchant, C. Samples, A. Clark. *Kneeling:* J. Fordham, J. Melton. **BOTTOM:** Academic Team: *First Row:* A. Merchant, A. Jacks, C. McDonald, J. Dunlap. *Second Row:* J. Fordham, B. Dunlap, R. Romeiser, Mr. Barfield.

Octagon Club

On The Roll Again

The Southwest Octagon Club was on the roll again this year. The club, advised by **Mrs. Leigh Ann Raby**, did an outstanding job this year in serving their community as well as serving students and teachers at their school. The members of the club held a fun filled Halloween party for the members of the Macon Health Care Home. The members returned to the home in December with fruit baskets for the residents. This visit certainly helped to make their Christmas a little more memorable. In February, Octagon members made Valentine cards for the home to show the residents that someone cared for them. The club also made gifts for the teachers of the Southwest Complex during Teacher Appreciation Week. For such a small club, this turned out to be a very active year.

TOP: Officers — Stacy Bowden — President; Tiffany Bedgood — Vice President. **BOTTOM:** First Row: N. Borum, S. Bowden, T. Bedgood. Second Row: Mrs. Raby, Advisor, K. Moore, J. Darley, L. Register.

Y-Club

Helping Others

The beginning of a new year also brought a new advisor for the Y-Club, **Ms. Ida Jordan**. Under the leadership of Ms. Jordan, the Y-club has supported a numerous amount of community activities. In October, the club visited the children's ward at the Medical Center of Central Georgia and gave the children Halloween candy. As a Christmas project some members of the club took groceries to the Family and Children's Services. This food was distributed to local needy families.

The Y-Club has proven to be an organization full of young students ready to lend a helping hand to those in need.

Mock Trial

Order In the Court

This year, a new group has emerged on the Southwest Campus — the Mock Trial Team. This group of students was organized by **John Mathews** in an effort to give students an opportunity to learn more about the judicial system. They did this through participation in a real case, as well as a Mock Trial.

The Mock Trial Team had the privilege of working with two local attorneys at law, **Hal McCord** and **Brian Pasante**. The two attorneys coached them in practice in order to prepare them for competition. Through hard work and determination, the team went on to win third place in the Region Mock Trial Competition. Several of the team members have plans of pursuing a career in law.

Spreading Happiness

The Leo Club continued in the great tradition, as always, in spreading joy to those in need. Supervised by **Sue Kalbfleisch**, and sponsored by the local Southside Lions Club, the club participated in many worthwhile civic projects. In a visit to the Georgia Academy for the Blind, members played games and talked with the blind students. The members also took the time to throw a series of parties for the students. In October there was a Halloween Party, followed by a Christmas Party in December. On Valentine's Day the Leo Club shared the love in their hearts with the children by giving them a party. The Leo Club has proved that it is possible to shine a little light on even the darkest of days.

The Southwest club was recognized in the National Leo Magazine for their many outstanding contributions to the community.

TAP

Fighting the Battle on Common Ground

"Teens Against Pregnancy" is a club that fights the battles of teenage pregnancy. The teens in this group fight this battle with the knowledge that they learn from professionals.

TAP is a program that addresses teenage pregnancy in schools. The intent of TAP is to provide activities that encourage teenage girls to complete high school.

FFA

Miracle Growth

The Southwest Future Farmers of America accomplished more tasks this year than any of the past years. Under the supervision of **Erik Thompson**, the club helped decorate Macon as a part of the annual Macon Cherry Blossom festivities. The club also participated in many State Fair and Horticulture contests sponsored by the Macon Exchange Club.

During the Spring, the club once again sold greenhouse grown poinsettias to the Southwest High school students and faculty. The club then went to tour the Jarrell Plantation, while there, they studied and learned about the growth of plants. Towards the end of the year, they began a tree and shrub production sale, which proved to be very beneficial.

Cosmetology

The Cutting Edge

There's more to the Southwest Cosmetology Club than just perms and hair-cuts. The members of this club are also very active in their community. In November, they collected canned goods to give to the needy of Macon for Thanksgiving. They again showed their concern for their community by collecting toys at Christmas time for the Salvation Army. The Cosmetology Club also brought in women's and babies' clothes for the battered women and children at the Macon Rescue Mission.

As a celebration for such a productive year, the club held their annual Cosmetology Club dinner at the Olive Garden. They ended the year with a fun-filled trip to Six Flags.

Art Club

Expression

Not only is the Art Club a club in which people express themselves through their art, but also it is a club that demonstrates caring and sharing. The Art Club is advised by **Dannah Graham** and **Gregory Cubit**. They began their active year in October. In December, they delivered Christmas goodies to the Harrison Retirement Home. Also, they took valentine candy to the Harrison Home, and planned to visit there again for Easter. In April, the club volunteered to make poster advertisements and mile marker signs for the March of Dimes Walkathon.

In May, the club held its seventh annual Art and Photography show. It was open to all students at Southwest. A cash prize was awarded for first through fourth places.

TOP: Officers, *From left to right:* Phillip Rogers, Leslie Elder, Hannah Riner, Tavis Algae. **BOT-TOM:** Members: T. Algae, G. Bartholf, J. Beck, A. Coan, W. Cole, C. Dumas, L. Elder, S. Pep Club

Energized!

Webster describes pep as "full of energy, liveliness, vigor, and spirit." That is exactly what the Southwest High School Pep Club is about. It organizes many functions and trips which support our teams and other organizations. They also maintain a very valuable place in the hearts of the new students, thanks to the club advisor **Mrs. Geraldine Dumas**.

The Pep Club started out fresh this year with a funeral for our rival team, Central High School. In February, the Pep Club sponsored the Sweetheart Coronation, to raise money and also promote school spirit.

In the spring, the Pep Club took its annual trip to Six Flags. This trip is organized to provide fun and relaxation for the students, in a supervised and organized manner. It gives the students an opportunity to enjoy a Saturday outing with their friends.

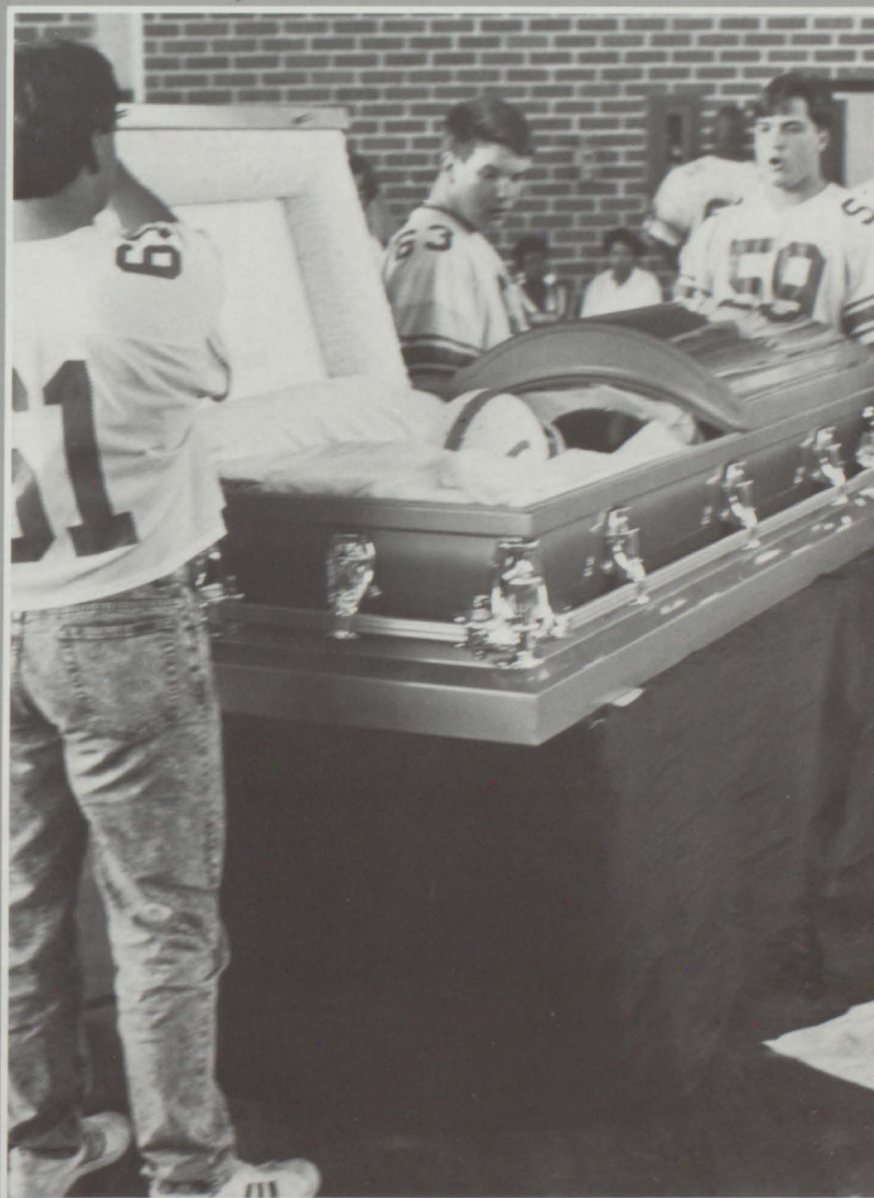

The Pep Club ended the year with the All-Sports Cook Out, to show appreciation to all SW athletes for the 89-90 season. The outing was held at Lake Tobesofkee.

Not only is the Pep Club full of vigor and spirit, but it also encourages the students to be too!

FBLA

Getting Down to Business

The Future Business Leaders of America at Southwest are once again proving to be leaders for our future. They have been busy year-round participating in a variety of activities. In November, the FBLA traveled to Atlanta, where they took part in the annual FBLA State Convention. The purpose for participation in the convention was to sharpen their skills in the various fields of interviewing, transcribing, typing, and other skills pertaining to the rapidly changing business world. In February, the FBLA was invited to take part in the region competition, which was held in Peach County. To help support the activities they participated in, the FBLA held fundraisers during the year, such as candy sales, among others. Year after year, FBLA shows that they are leaders by continuously serving the community and Southwest.

DECA

Award Winners

The DECA club, advised by **Stacy Summers**, had a busy year. **Dawn Cottrell**, **Kim Hayes**, **Kandy White**, and **Leigh Ann Vandiver** attended the DECA Fall Leadership Conference in Gainesville, Georgia. In February, the club sponsored a reception for the eleventh graders who wanted to enroll in Marketing Education for the next school term. Eleven members competed in the sixth district competition, five Southwest students were winners, **Dawn Cottrell**, **Chad Vonsteenburgh**, **LaKeshia Straws**, **Randy Durden**, and **Melanie Maynard**. These students were also eligible for state competition. The DECA Club ended the year with a bash.

VOCA

Community Service

The Voca Club is a community service club designed to help young men and women learn to give, and to help the community.

VOCA's big event for this school year was during Christmas. The members of VOCA visited the Hephzibah Orphanage Home to present gifts to each of the junior residents. Through the generosity of VOCA, these youngsters had a brighter and merrier Christmas.

Maston Bell has been the advisor of the VOCA club for fifteen years, and continues to work toward bettering the community. Students at Southwest should be proud to be a part of VOCA.

VICA

Upon My Honor

VICA not only stands for Vocational Industrial Clubs of America, but it also stands for vocational integrity. **Ronald Taylor**, the VICA advisor, emphasizes this image throughout the school and the community. This year VICA prepared a Thanksgiving basket for an adopted family and sold candy to fund their annual Halloween and Christmas Parties.

The members of VICA are proof that this is an honorable organization. Some of these members participated in area competitions of vocational skills, held in Cochran and Hawkinsville. They were as follows: **Michael Goodwin, Sammy Coons, Sabrina Adams, Patrick Bentley, Sharon Hughes, and Tara Hall**. Upon their success they traveled to the district competition in Vidalia, where Michael Goodwin won the victory.

Key Club

Unlocking Hearts

The Key Club accomplished many goals as they unlocked their hearts and tended to others. They visited the Memorial Nursing Home, served in Bill Boyd's Over 75 Birthday Party, and provided money for the Hurricane Hugo Relief fund. Under their new advisor, **Virginia Phillips**, the club raised \$250 by sponsoring the Goofy Goblin contest, for the Georgia Sheriffs Youth Homes. At the state convention, the club received an award for this project. **Robbie Romeiser** received the Lt. Governor of the Year award for his outstanding work. They ended the year by taking two six mile walks for the March of Dimes Walk-America and the Juvenile Diabetes Foundation Walk-A-Thon.

Civinettes

Helping Hands

Starting off fresh with a new advisor, **Bitsy Phillips**, the Civinettes had an outstanding year in the service of their community. One of the most rewarding and beneficial activities the girls participated in was The Bill Boyd Over 75 Birthday Party. When the guests arrived, the Civinettes pinned corsages on them. The girls handed out ice cream and cake and danced with some of the guests. They all had a great time.

The Civinettes also adopted a nursing home this year. They enjoyed going to the nursing home on special occasions. They provided entertainment by playing volleyball and bingo with the residents.

Montage

Creative Forms

For the second year in a row **Ms. Cynthia Warren-Ross**, the Montage advisor, has demonstrated her expertise in leading the Montage staff to excellence. Not only did the literary staff publish an outstanding magazine, but it has taken time out to participate in numerous competitions. Among these are: Macon College Spring Arts Festival 1990, 1990 Scholastic Writing Awards — Smith Corona, Princeton University Secondary School Poetry Contest, Optimist International Essay Contest, and countless others. The Montage Staff, as well as its advisor, can be proud of its accomplishments.

Patri-Article

Hot Off The Presses!

The Patri-Article is one of three prestigious publications at Southwest High School. Advising the school newspaper is a tough job which is capably handled by **Sue Kalbfleisch**. Two workshops are held to teach staff members skills necessary for newswriting. Following the workshop, there is an awards luncheon, sponsored by Georgia School Publications Association. The newspapers are judged on layout and copy writing, then awards were presented. This challenging event took place at the University of Georgia in Athens on May 4, 1990. Adding to this adventure in Athens was the exposure of the staff of both the Montage and Patri-Article to BIG RED MEASLES!

Patri-Article Editors-in-Chief include: L. Langley and S. Moore. Members: K. Lem, J. Melton, A. Warner, S. Evans, J. Atkinson, E. Allman, T. Ussery, C. Hodges, C. Sekermestrovich, C. Knight, T. Thomas, A. Pierce, S. Horton, H. Mueler, and T. Algea.

Student Council

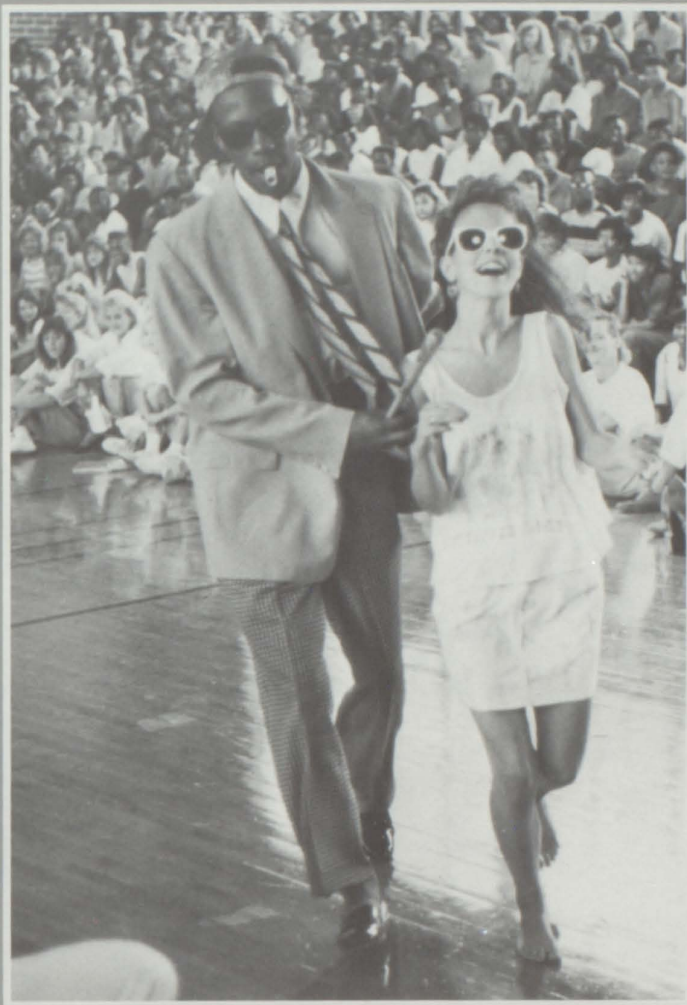

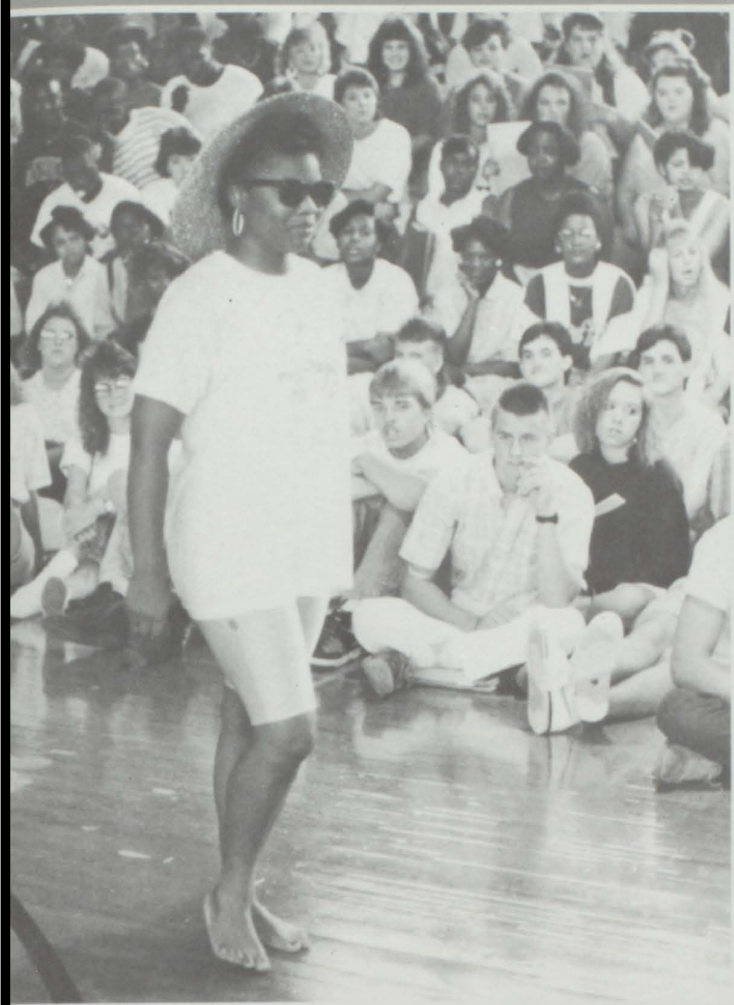

Future Leaders

Student Council is one of the most active groups at Southwest. This club has been busy year round, activities include making football signs, candy sales, and preparing spring activities. With the help of Advisor **Betty Stewart-Crossan**, Student Council has worked hard for over 13 years.

Student Council activities included the first assembly of the school year to discuss the dress code. They were involved in the Close-Up trip to Washington D.C. in November of 1989.

Chorus

Southwest Chorus: Right On Key

The Southwest Chorus under the direction of **Renee Kimberly** performed during December, putting everyone into the holiday spirit. Their annual Christmas concert was held at St. Joseph's Catholic Church. To raise money for their spring concert tour they had a gift wrap booth at Westgate Mall during the Christmas season. At the GMEA 11th District Festival their performance was rated "excellent." The choir had the privilege of performing at Opryland in Nashville, Tennessee.

Also under the direction of Mrs. Kimberly are the Show Choir and the Girls Choir. These groups also participated in many concerts. They won numerous awards with their outstanding performances.

The three choirs participated in the Spring Concert, which was held at the Grand Opera House. The choir has a reputation of creating delightful music. As always, the Southwest Chorus is "right on key."

JAZZ ENSEMBLE

Jazz Ensemble Plays the Gig

Whether its music or community service, the Jazz Ensemble "plays the gig." The Jazz Ensemble visited Burghard, Butler, and McEvoy Middle schools, encouraging the kids to "Just Say No" to drugs. The members performed a skit and rap condemning the use of illegal drugs, ending the visits with a performance.

In competition, the group received Superior ratings at Solo/Ensemble and Georgia College Festivals. They have awed audiences at The Cardiac Cafe, Ebony Fashion Fair, Golden Eagle ceremonies, and the Cherry Blossom Festival.

BAND

Long Workouts Result in Super Year!

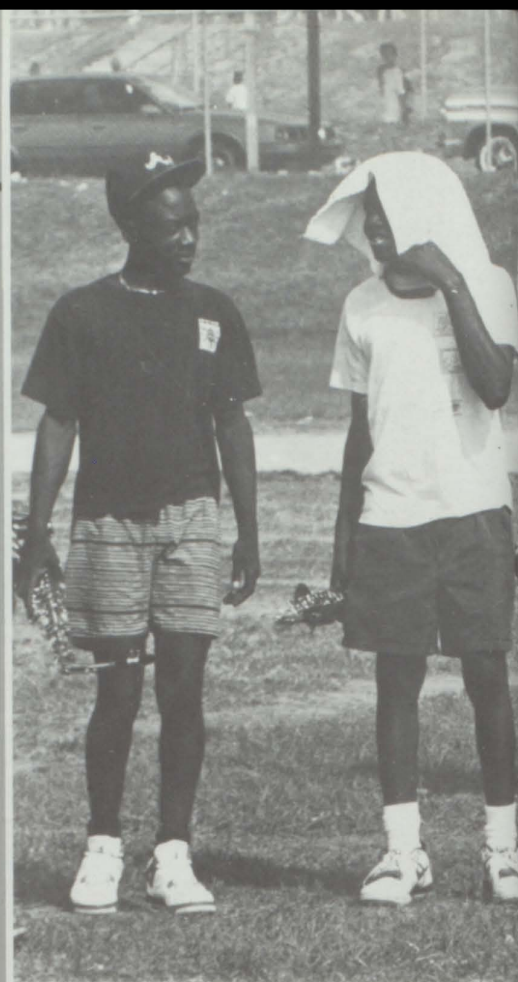

The talented members of the Southwest Marching Band began their year in early August under the scorching Macon sun. They spent at least four hours a day learning new formations and routines in order to entertain the football crowds who eagerly awaited the exciting half-time performances. The spectacular dance routines led by Drum Majors **Warren Cray, Jeniel Cooper,** and **Ca-landra Barber** performed by the band at half-time, are but a part of the tradition established by the Marching Patriots. These sweaty workouts and long hours in the summer heat paid off tremendously as the Marching Patriots completed another super year.

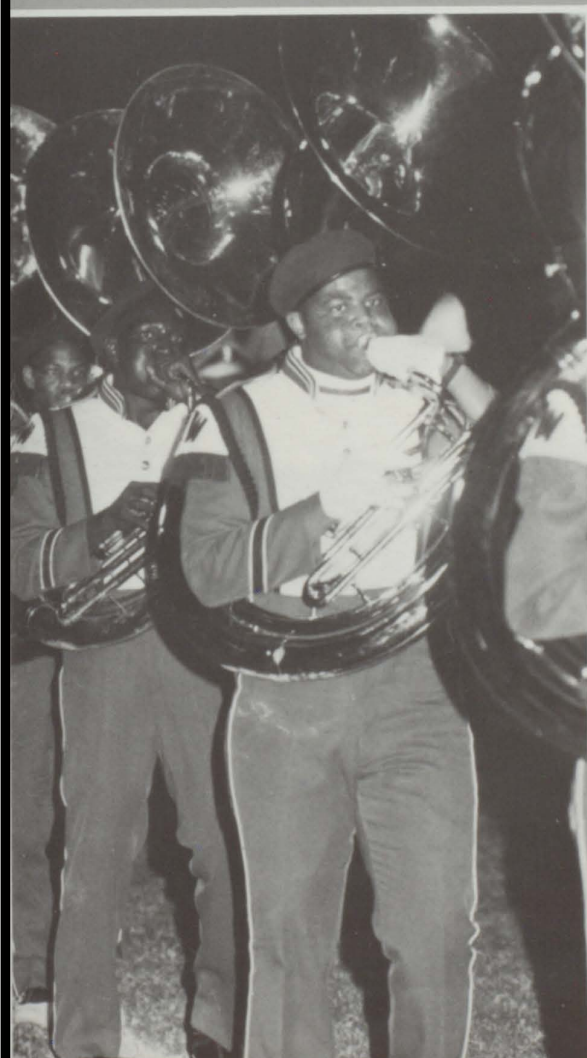

This year the band rated first in their appearance, as well as in their performance, as they took the field with their new bright red and white capes and shoe spats. The band, with the help of

their energetic and devoted Band Parents Club, sold Southwest seat cushions and fruit to help purchase these new accessories.

Nothing was capable of stopping the Marching Patriots on the field or in the local community. The members of the band collected over three-hundred cans of food in their annual can drive for the needy at Thanksgiving. The Southwest Marching Band marched into the hearts of those at Southwest High and the community around them. So as you see, the best is at Southwest.

Top Performers

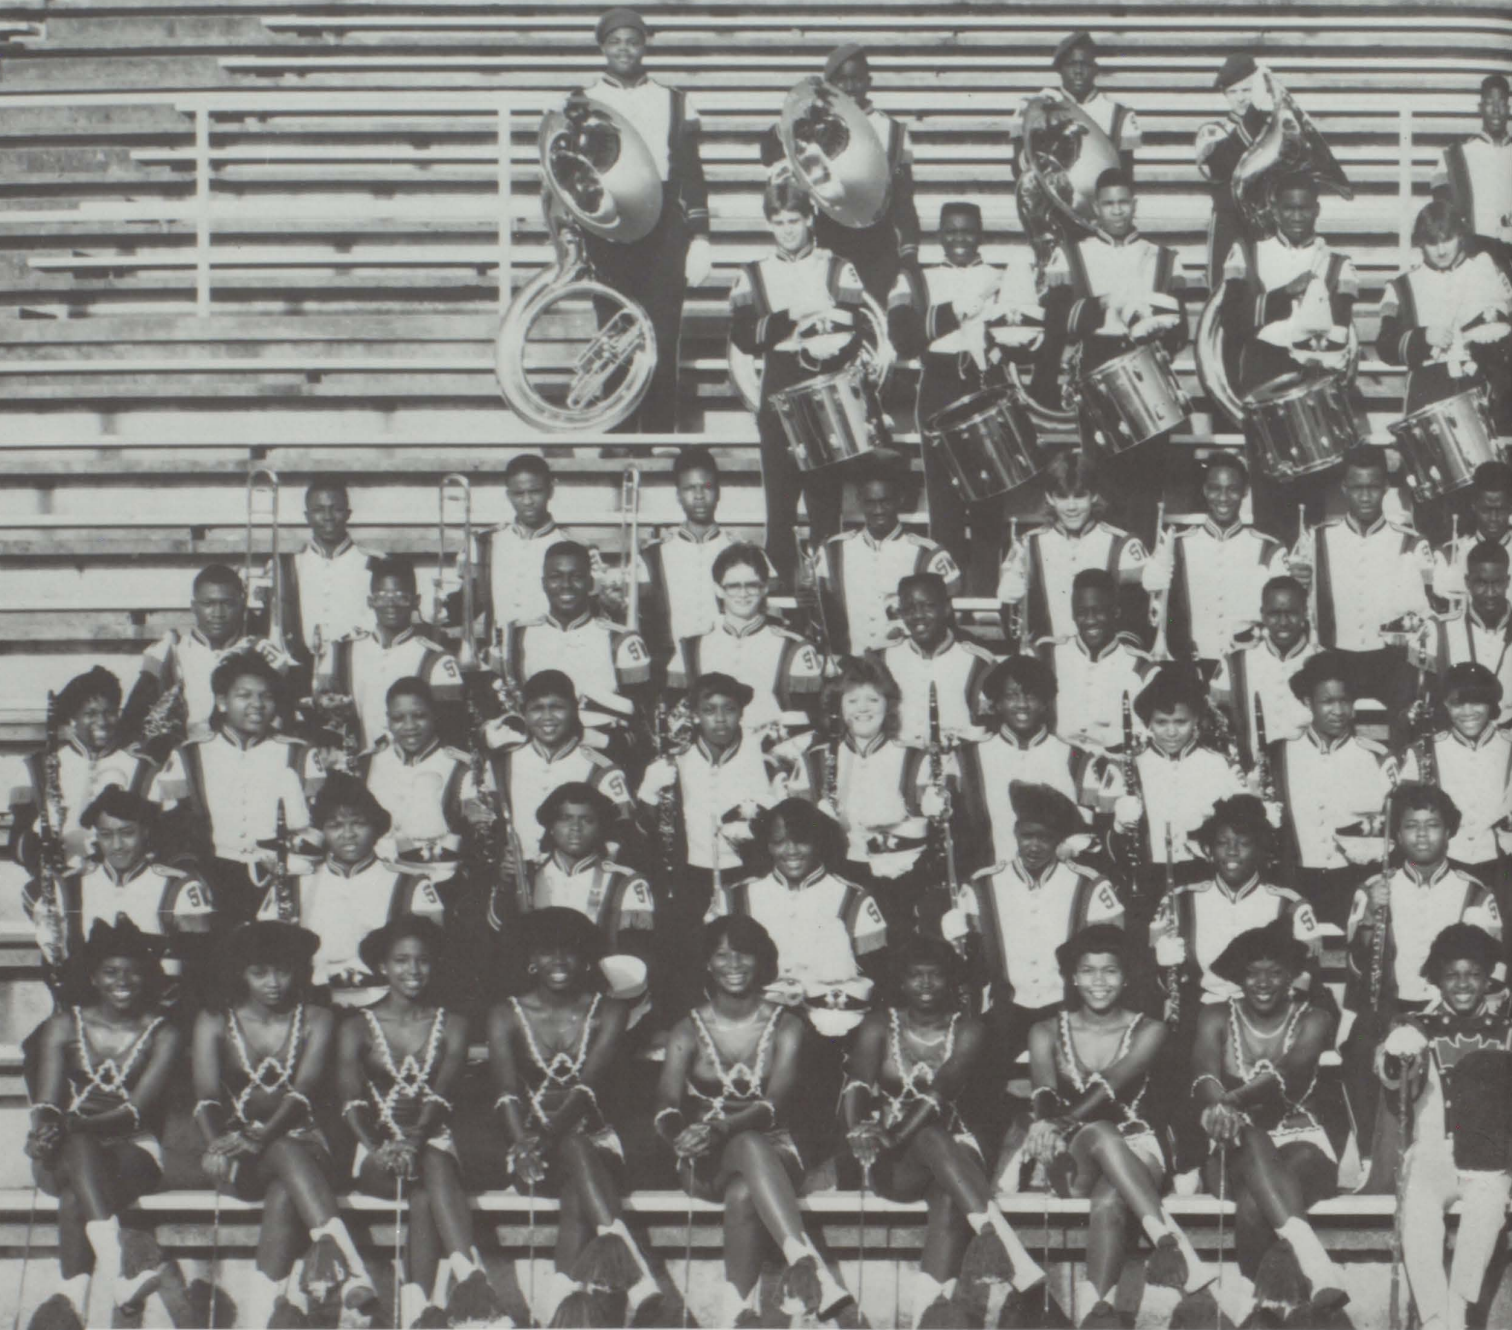

Omega Phi Delta, otherwise known as the Band Honor Society, is another level of prestige that one could achieve in the Southwest Marching Band. It consists of those band members who excel academically by maintaining a 3.5 or above grade point average. Each of the members are recognized for their academic achievements as well as their superior performances and given an **Omega Phi Delta** patch for their uniforms. This year 39 students qualified for this honor. This organization gives band members an incentive to strive not only for a great performance, but also higher grades.

SOUTHWEST

The pulsating beats of the bass drum, the blaring sound of the instruments, the lift and step movements of each member in the band, along with the roaring and screaming of fans, make the Southwest Marching Band unbeatable. Under the direction of their illustrious director **Oscar Jackson**, the Marching Patriots shook the field with lively performances, that left the crowd standing in amazement.

Many long hours and much hard work

went into the creating of this outstanding group of performers. In after school sessions, band members mastered routines, learned new songs, and offered constructive criticism to one another. This constant practice and interaction created a pride that was evident to each person who observed a half-time performance at a Southwest football game by this energetic group.

The Marching Patriots carried this same energetic action from the football

field to parades such as the Veterans Day Parade and the Cherry Blossom Parade in Macon, and the Rose Parade Parade in Thomasville, Georgia. They continued their display of excellence by receiving an excellent rating for their performance at the Region Festival.

Their highstepping style, class and brilliant movements are just a few reasons why the Southwest Band can be classified as untouchable.

STUDENT

Mourning The Dead

The Southwest Patriots gathered once again to mourn the passing of their rival — the Central Chargers! The service was presided over by **Rev. Derek Dumas** who brought tears to the funeral procession and thrilled the souls of the crowd. After a toast to the deceased Chargers by the Mighty Southwest football team, "**Big**" **Charles Ben** made orange crush and the funeral turned into a pep rally. The Southwest Patriots screamed and shouted to the beat of the drummers, while the cheerleaders shouted their encouragement for Southwest to be victorious.

Ghouls and Goblins

Goofy Goblins from Key and Civinette Clubs collected money to benefit the Georgia Sheriff's Youth Home during the week of Halloween. These dedicated students undertook this project to help abused Georgia youth. On Friday, October 30, the representatives joined together for a Halloween bash in their creative, ghoulish costumes.

In the costume department, **Carla Cupp** came up victorious for her unique pumpkin body. **Roger Tackett** came in second with his Grim Reaper costume and **Dedra McNeal** placed third in her She — Devil costume.

A Night to Remember

It was a magical, beautiful night in which some of Southwest Lady Patriots shined as diamonds. Yes, the 1990 Annual Sweetheart Coronation was an event that these young ladies will remember forever. The Sweetheart Coronation showed the public why Southwest is the best. During this ceremony, Southwest's Jazz Band provided the audience with entertainment.

Contestants were introduced by the Mistress of Ceremonies, **Ms. Ross**. The anticipation of the winner quieted the atmosphere. Then the winners were announced. They were: Miss Freshman — **Christy Smith**, Miss Sophomore — **LaShondia Griffin**, Miss Junior — **Teresa Ayers**, Miss Senior — **Ericka Brown**. **Lisa Lowe** was crowned Miss Sweetheart of 1990.

Homecoming

It was the night everyone had been looking forward to. The crowd was anxious to meet their new homecoming king and queen.

As the band serenaded with "Spend the Night", the glamorous couples glided across the football field. Anticipation filled the air. The friends of the contestants nervously kept their fingers crossed as the announcer named **Skyla Talton** and **Joe Dupree** as queen and king. The anticipation in the air was then taken over by excitement. The wild crowd stomped and yelled in the midnight air as the king and queen silently left the field in a smile.

Hyped Dance

October 28th was the night of the annual "Southwest Homecoming Dance". The defeat of Southeast (49-0) filled the students with excitement. The gym was packed full of teens ready to congratulate and crown their new homecoming court king and queen.

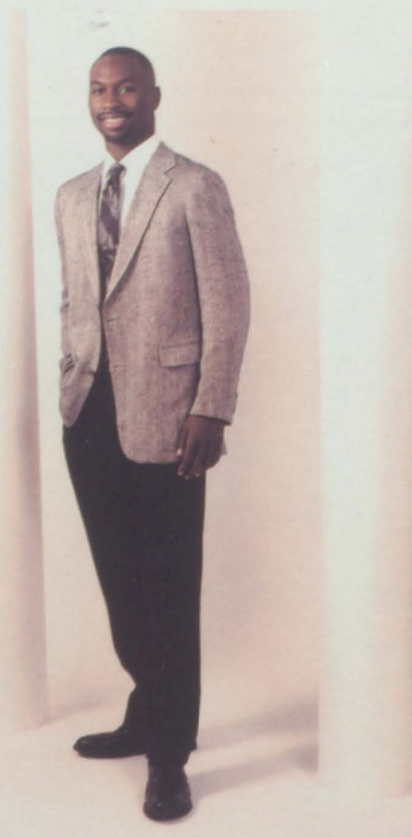

The dance itself, was a hit! Everyone was dancing, mingling, and having a good time. Although it was hot, the heat didn't seem to affect anyone. In fact, the heat may have caused even more people to get up from their seats and join the fun!

Some say the dance was "jammin'", "jumping", or even "pumping". Others say it was "cool", "happening", and "hittin'". No matter which way you say it, the Homecoming Dance was a SMASH!

All Sports Wang-Dang Cook-Out!

On Thursday — May 24th, the Southwest Pep Club sponsored a banquet for all sports players, cheerleaders, and Pep Club members at Lake Tobosofkee.

After everyone stuffed themselves with hamburgers, hot dogs, fish, and other goodies — it was declared “time for the games to begin.” “Sandy” football games kicked the cook-out off. Students ran and chased after each other in pursuit of who would become the next victim to be dunked.

When the water events were over, the dancing began. As music from car and truck radios sounded, students physically expressed themselves. Everyone was dancing and laughing and having a great time!

Afterwards, the awards, medals, and trophies were given out. As the students resumed their dancing, it was announced that the party was over and that it was time to go home. Sadly, the students packed up their awards and wet, sandy clothes, and headed for the nearest bus. For those of you who didn't have the opportunity to get dunked, there's always next year!

Hold On To The Night

This year the Juniors did a great job in getting ready for the Prom. The hard work began on May 19, 1990 — PROM DAY! They started their day off at eight that morning and worked until the setting was perfect. So perfect that the Seniors would never forget this most memorable night.

Dazzling couples walked into the Macon City Auditorium hand-in-hand awaiting the excitement and fun that the night was expected to bring. With the music being played by the band "Princess and Stardust," the students danced across the floor as if it was a moonlit beach.

As the night drew on, the crowd eagerly awaited the announcement of the King and Queen of the Prom. Once the lead out was completed, **Ms. Cynthia Warren Ross** came out with the special announcement. **Erica Jaskula** and **Chris Spivey** were presented as the King and Queen of the Southwest Prom.

This magical evening truly made everyone "Hold on to The Night."

Hold On

...To The Night

Hail To The Class of 1990!

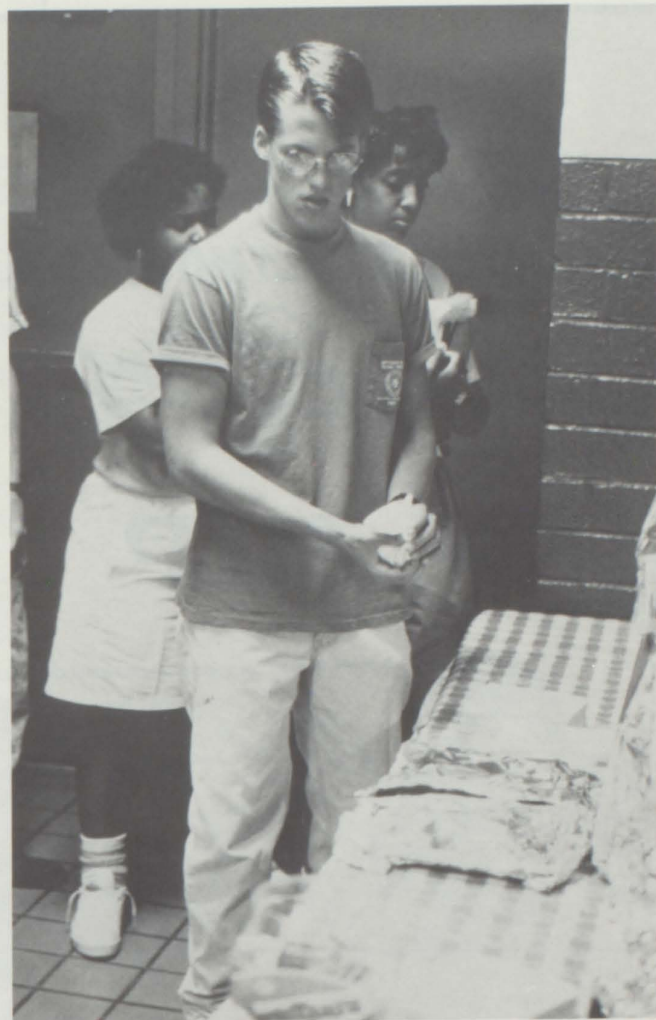

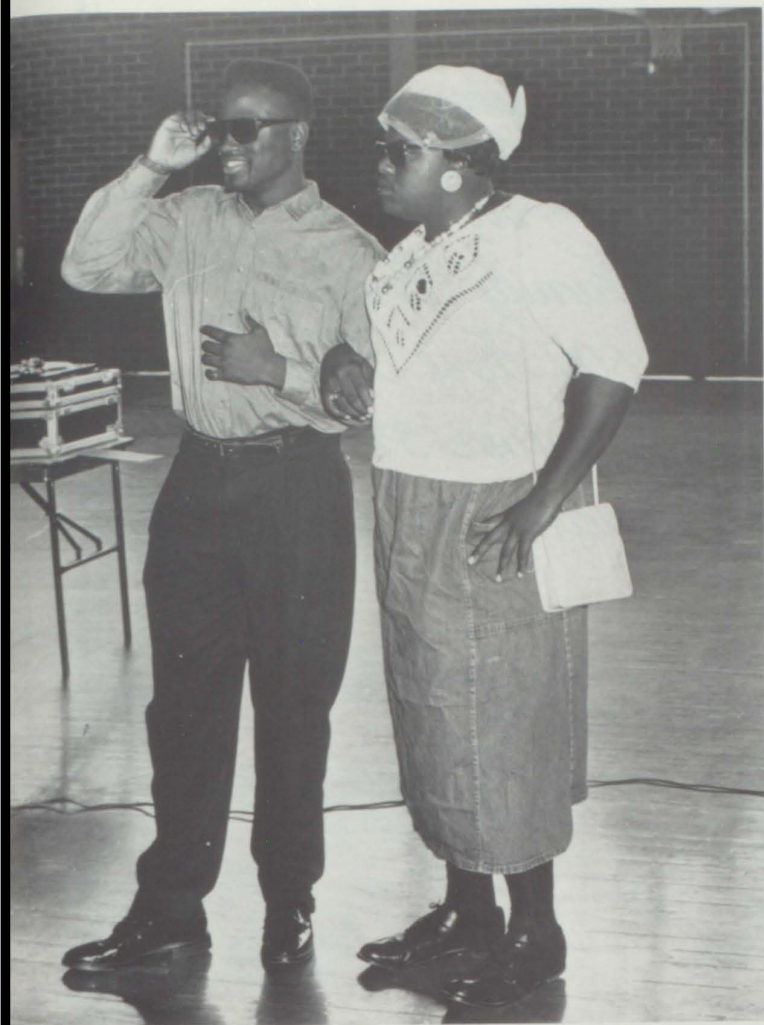

The Class of 1990 kicked the end of their Senior year off with a Reverse Beauty Pageant made up of males and females. The reversing of roles in the contest gave the students a chance to display such characteristics as personality, appearance, and talent. Between **Eric Duggan** and **Charlie Simmons** the contest was pretty exciting. This unique contest proved to be a humorous and eye-catching assembly.

The next activity the seniors enjoyed was the Senior Breakfast. Each senior had two sausage biscuits and Coke. Afterwards they practiced the Senior song "Friends." This made many students finally realize that school was coming to an end.

The students wore their caps and gowns on Senior Honors Day for the first time. Following Honors Day the seniors had a luncheon in the Willingham B Lunchroom. They received placemats with their names on them as souvenirs. Later a skit was put on by the Southwest Student Council members and a Lip Sync contest was held. Various contestants showed their talents through singing and dancing. Senior Week was finally coming to an end. The Grand Finale was the Senior Dance. It was held in the Macon Coliseum's Monument Room. The music was provided by **Bob's Mobile Sound**. The dance lasted from 8 till 12 with many of the Seniors shouting for more. At the end they all decided to end their Senior Week with a famous chant known to the halls of Southwest. **HAIL TO THE CLASS THAT'S HIGH AND MIGHTY — HAIL TO THE CLASS OF 1990!!**

HONORS

"The Envelope Please"

Although, the setting was not as elegant and fabulous as that of the Academy Awards, the participants in the annual Underclassmen's Awards program felt as if they had received their own oscar. Awards were presented to students who had been a part of each school's publication, who had shown leadership ability, and those who had participated in Math competitions, Literary events, Academic meets, and Debate and Science competition. Certificates of Merit from the University of Georgia were given to each junior who had remained in the top five percent of their class.

Students with the brains of Einstein were presented a Mu Alpha Theta Award, those with the poetic mind of Thoreau received a literary award, and those with the talent of Micheal Angelo were presented an art award.

"Nobody likes to come to school," but that statement can be proven false, because many underclassmen were recognized for their perfect attendance which ranged from one to eleven years!

The Honor Roll awards were presented to those students who had maintained a grade-point average of 3.6 throughout the academic year. Tension really mounted as the names were called from the Principal's List, composed of students who have maintained an average of 4.0 or better.

To end the program the Junior Class President, **Joel Stenson**, made a special presentation to **Mr. Stuart** who was leaving Southwest to serve as the Principal of the Alternative School.

Winners of the top science awards were Amy Merchant, Shenella Rivers, and Becky Smith.

Joel Stenson displays pleasure over his award.

Patricia Wilder shows off her Principals Award.

Chad Dumas and Algernon Wallace received awards for eleven years of perfect attendance.

The Flight to Success

Again this year Southwest left the Golden Eagle Awards ceremony with something to shout about. **James Fordham** won the Golden Eagle Award in Math, **Robbie Romeiser** received an Honorable Mention in the Social Studies category, and **Chad McDonald** also won an Honorable Mention in Foreign Language. The new category of Social Science was also added to the beginning eleven to make the competition altogether great and harder for over 100 students from nine counties in Middle Ga.

“Honoring Tomorrow’s Leaders”

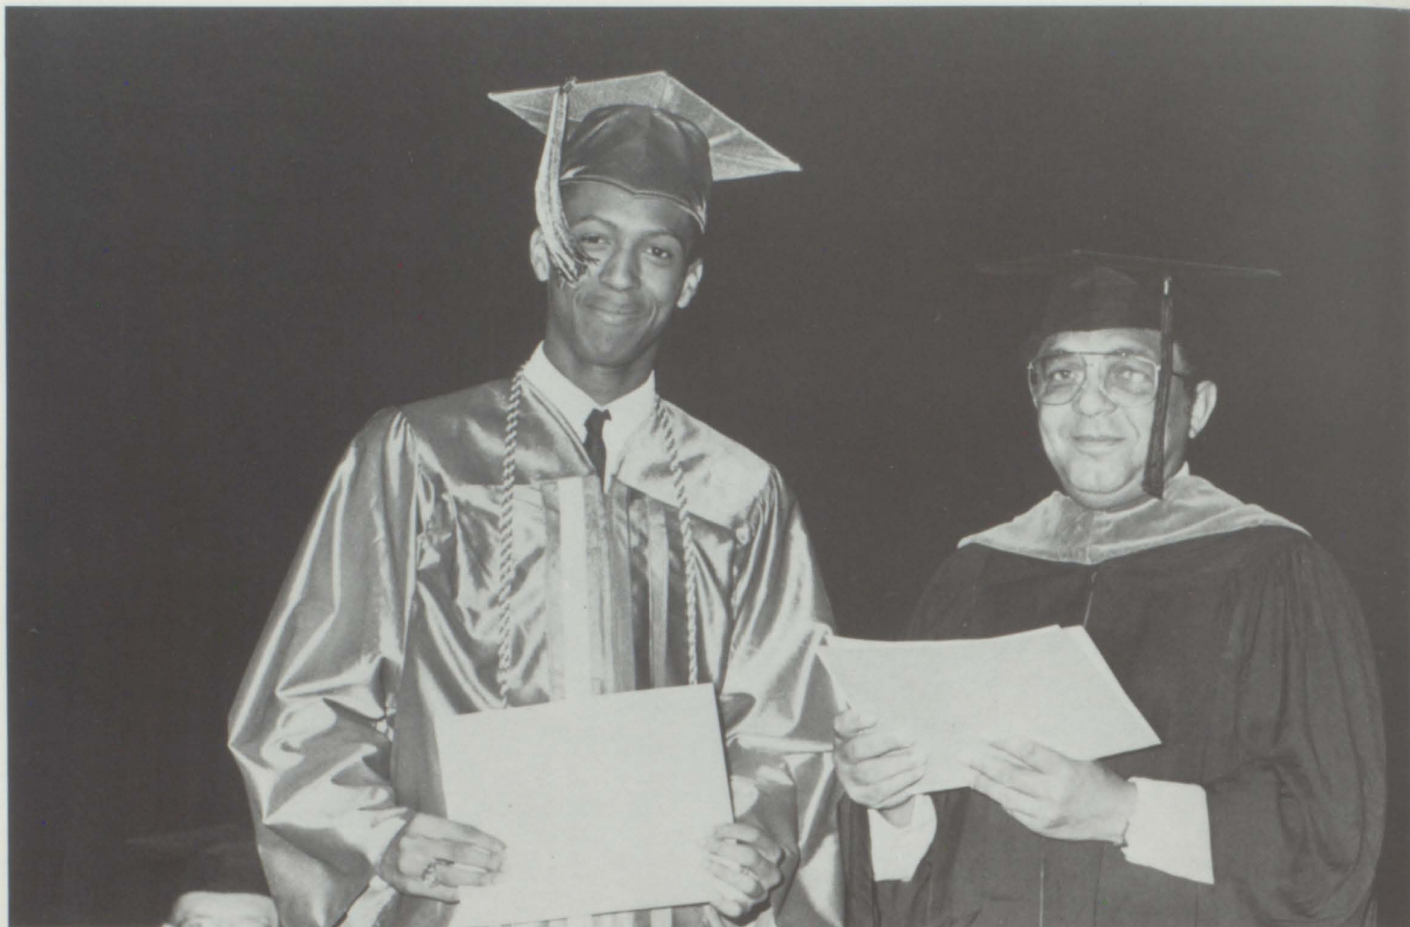

May 25th 1990, was a day that shall be cherished by the class of 1990 for a lifetime. The trip to the Grand Opera House, by bus, was the first step toward full tuitions being paid, the Star Student having his last stroll, and the Senior Class to make their presentation to the school.

Recognition ranged from Scholarships and Special Achievements to the Most Improved Honors Math Student. Smiles were washed away from their faces as the pianist began to play the chord for their senior song. They knew that with this note it was time to start packing up the dreams that had been planted and begin another chapter of their lives. Senioritis or not, the class of 1990 maintained pride for their school, academic standings, and their motto of being “High and Mighty.”

The Final Outcome!

For eleven years the 1990 seniors have been eagerly awaiting the day that they could walk across the stage and accept their diploma. That day finally came on June 8, 1990. The ceremony began at 8:15 p.m., which seemed like a lifetime for the seniors since they had to arrive forty-five minutes early. The halls were filled with laughter, joy, excitement, and sadness.

The seniors waited for the time they could hear the processional music to enter. Once inside, their stomachs were filled with butterflies, mainly because they wondered whether or not they would trip and fall while going across the stage. Then the announcer called their names — happy and proud of themselves, they accepted their diplomas and became "Ready For the Future".

future: time that is to be or come hereafter.

The parts have been tested and the machine stamped "geared and ready for the future." No matter where that future may take these students, they leave Southwest prepared for maximum performance. Many will go on to college. Others will find themselves in faraway places in military careers. Some will enter the business world. Most of them will, at some point, find themselves involved in the "design process" as they make homes and begin families. Regardless of the area of service, these "machines" are now fully warranted and...

We Did It Our Way!

The work for the *Spirit of '90* yearbook started weeks before school was scheduled to begin. During the summer Senior pictures was the first job on the agenda. Once they were completed some of the staff along with **Ms. Fugate** and **Ms. Phillips** went to the Taylor Yearbook Workshop at Ga. Tech. It was on this campus that our yearbook was born. The theme had been chosen and the opening layouts had been drawn to perfection. Now it was time to see what the Taylor Representatives thought of our book. On Awards day we were awarded the Sweepstakes Award, which is the highest award in our school's size division. We were very proud of ourselves for achieving this goal. Once school began the staff had lots to learn and little time to learn it. We divided into two groups with one focusing on copy and the other on layouts. This proved to be good because it gave us a little more time to work on the "BIG ONE." Our first deadline was hectic. Layouts, paper, and pencils were everywhere but we managed to make to the end. It was hard work but somebody had to do it.

Spirit of '90 Staff: **Editor — Tom Williams, Kristie Adams, Diana Becham, Jerry Busbee, Brent Carroll, Cindy Chapman, Angela Coleman, Heather Crawford, Warren Cray, Carla Cupp, Christie Cupp, Patrick Davis, Tiffani Durham, Konswella Fields, Alisa Harrell, Tammy Helmuth, Lisa Herring, Sonya Jackson, Rosilind Johnson, Angelan Johnston, Andria Maldonado, Johnathan May, Kimberly Pittman, Chris Railey, DeAndra Richard, Dewayne Richardson, Becky Smith, Cherie Smith, Terrance Smith, Roger Tackett, Catrina Taylor, Nolita Woolfork.**

Special thanks to **Kathy Keth** our wonderful Taylor Representative.

TOP, LEFT TO RIGHT: Out with the old Editor (Tom Williams) and in with the new (Becky Smith and Konswella Fields). Taylor Workshop participants. Chris Railey on his way back from the lagoon. **MIDDLE, LEFT TO RIGHT:** Becky Smith and Andria Maldonado take yearbook payments. **BOTTOM, LEFT TO RIGHT:** The Sweepstakes Award is ours. The *Spirit of '90* Yearbook Staff.

THANK YOU!

Another year has come and gone and with it another yearbook has been completed. The *Spirit of '90*, like previous books, took many long hours of dedicated work by the entire staff. The main "cog" in the wheel of production was the editor, **Tom Williams**. He put in long hours to make sure the *Spirit of '90* was an outstanding book. We were constantly hollering "Tom-Tom, where is the copy for this layout? — we have a deadline next week!" He never complained and went about his work with a smile on his face. Thanks to his work and determination the Southwest yearbook was once again selected as a national show book by Taylor Publishing Company. He will always have a special place in our hearts — We LOVE you "Tom-Tom."

There were many other "cogs" in the wheel that helped produce this outstanding book. Special thanks to **Konswella Fields** for keeping up with the money; **Chris Railey** and **Jerry Busbee** for taking pictures; **Cindy Chapman** for putting layouts on the computer; **Becky Smith** and **Cherie Smith** for chasing down pictures for their sections; **Heather Crawford** for diligently keeping up with the news of 1990 and **De Richard** and **Patrick Davis** for keeping up with the yearly Southwest events; **Jimmy Melton**, **Kim Pittman**, **Tammy Helmuth**, and **Catrina Taylor** for doing a variety of jobs when called upon; and a GREAT BIG Thanks to **Diana Becham** for working many long hours after school was out typing all the copy on the computer. Thanks to the **entire staff** for collecting money, selling doughnuts, completing your assigned sections, and for putting up with us.

There were many other people outside the staff who helped us. Thanks to **Janice Childers** and **Esterine Stokes** for their assistance in collecting debts; **Kathy Keth**, our Taylor representative; the photographers of SPI for taking care of us in the absence of **Larry Naylor**; and the faculty and administration of Southwest for their co-operation and support.

The *Spirit of '90* wouldn't have been possible without the hard work and assistance of all these people. From both of us THANK YOU!

Ann and Virginia

A Special Thanks From the Editor

When I was approached with the idea of being Editor of The Spirit of '90 yearbook I was flabbergasted. I wondered whether I could hold up to the past quality of all the past yearbooks, would the staff like me, and most of all would the yearbook be the best ever.

As time passed I felt that the staff would get used to me because I couldn't tell them what to do without laughing about it first. I believed in them and when deadlines came around and the work got piled up with all the stress and confusion they were there to back me up.

As the year came to a close I finally knew that I could make this book the best. With all the help and support from my parents and all the bragging that my grandmother did, I knew that they all believed in me also (Thanks Mom, Dad, and Grandmother). Most of all THANK YOU **Ms. Phillips** and **Ms. Fugate** for putting up with me, first as your Business Manager, and then as your Editor. I'll never forget you for all your help. I also thank God for giving me the strength to stick on until the end and **Larry Naylor** for being more than the best photographer in the world. God bless our most dearest friend. We'll miss you Larry! Last but not least I must thank **Cherie Smith** for caring and teaching me how to forgive and forget as you can. I also thank you for your "ruthless" attitude. And I mean that in a sensitive way because your attitude is one that I would love to have. Thanks Cherie!

This yearbook is sincerely the best ever and I enjoyed every minute of it. It was an experience that I will always cherish and hold dear to my heart. I know now that I am definitely READY FOR THE FUTURE!!

*Tom
Williams*

In Memory of Larry Naylor

*"Do not go gentle into that good night,
Old Age should burn and rave at close of day;
Rage, rage against the dying of the light."*

— Dylan Thomas

It has been said by many poets that "only the good die young." When we think of "Mr. Larry," we know that is a truth. Larry Naylor was a photographer with Southeastern Portraits. For many years he came to Southwest, taking Senior pictures, Senior focals, Superlatives, Homecoming, Sports, everything for the yearbook. No picture was too difficult. Mr. Larry climbed rickety old ladders, went up in "cherry-pickers" or fire truck buckets for us in order to get the perfect shot.

But he was more than just our photographer. He was our dear friend. He helped us with difficult layouts and laughed with us as we worked on the "Spirit." We would see Larry coming with camera bags on each shoulder, his old, thick coffee mug in his hand, a smile on his face, and we knew we'd get the job done. He always left us with a smile and, "Drive Careful."

We lost our friend to cancer on May 13, 1990. Those of us who knew and loved "Mr. Larry" have set up a Memorial Scholarship to be given each year to a Senior Annual Staff member. The names will be added each year to a plaque in Larry's honor.

It is with love that the Advisors and Staff of *Spirit of '90* dedicate the yearbook in the memory of Larry Naylor.

"Drive Careful, Mr. Larry!"
